Chief Operating Officer  
Centers for Disease Control and Prevention  
U.S. Department of Health and Human Services

Atlanta, GA 30329

Dear Ms. Berger:

We are writing to follow up on the October 10, 2014, request for information related to the September 16, 2014 security incident involving the President at the Centers for Disease Control and Prevention (CDC) headquarters in Atlanta.<sup>1</sup> As you know, during that incident, a private security officer working for a firm that provides security at the CDC—armed with a gun—rode in an elevator with the President.<sup>2</sup> The request covered six categories of documents and information that will allow the Committee to better understand how and why the Secret Service allowed an armed contractor in close proximity to the President, and to make recommendations to ensure that a similar lapse does not occur again. That response was due on November 7, 2014. On February 24, 2015, the CDC produced only a partial response to the October 20, 2014, request.<sup>3</sup> The partial response only fully satisfied one of the six categories of documents and information.<sup>4</sup>

To assist the Committee's investigation, please provide all the documents and information requested on October 10, 2014, as soon as possible, but no later than 5:00 p.m. on February 27, 2015. The remaining outstanding requests are repeated here, for your ready reference:

1. A timeline of events of the September 16, 2014, security incident;

---

<sup>1</sup> Letter from Hon. Jason Chaffetz, Chairman, H. Subcomm. on Nat'l Security, to Sherri Berger, Chief Operating Officer, CDC (Oct. 10, 2014).

<sup>2</sup> Carol D. Leonnig, *Armed contractor with criminal record was on elevator with Obama in Atlanta*, WASH. POST, Sep. 30, 2014.

<sup>3</sup> Letter from Sherri Berger, Chief Operating Officer, CDC to Hon. Jason Chaffetz (February 24, 2015).

2. Copies of any and all video footage, photographs, or audio recordings related to the September 16, 2014, security incident;
3. All documents including hiring documents and background checks, related to the armed contract security officer who rode in the elevator with President Obama;
4. The name of any and all companies involved in the background check process; and,
5. All contracts for physical security at CDC Headquarters.

When producing documents to the Committee, please deliver production sets to the Majority staff in Room 2157 of the Rayburn House Office Building, and the Minority staff in Room 2471 of the Rayburn House Office Building. The Committee prefers, if possible, to receive all documents in electronic format. An attachment to this letter provides additional information about responding to the Committee's request.

The Committee on Oversight and Government Reform is the principal investigative committee in the U.S. House of Representatives. Pursuant to House Rule X, the committee has authority to investigate "any matter" at "any time."

Please contact Mike Howell of the Chairman's staff at (202) 225-5074 or Valerie Shen of the Ranking Member's staff at (202) 225-5051 with any questions about this request. Thank you for your attention to this matter.

Sincerely,

Jason Chaffetz  
Chairman

1. In complying with this request, you are required to produce all responsive documents that are in your possession, custody, or control, whether held by you or your past or present agents, employees, and representatives acting on your behalf. You should also produce documents that you have a legal right to obtain, that you have a right to copy or to which you have access, as well as documents that you have placed in the temporary possession, custody, or control of any third party. Requested records, documents, data or information should not be destroyed, modified, removed, transferred or otherwise made inaccessible to the Committee.
2. In the event that any entity, organization or individual denoted in this request has been, or is also known by any other name than that herein denoted, the request shall be read also to include that alternative identification.
3. The Committee's preference is to receive documents in electronic form (i.e., CD, memory stick, or thumb drive) in lieu of paper productions.

7. Documents produced in response to this request shall be produced together with copies of file labels, dividers or identifying markers with which they were associated when the request was served.
8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.
13. If any document responsive to this request was, but no longer is, in your possession, custody, or control, identify the document (stating its date, author, subject and recipients) and explain the circumstances under which the document ceased to be in your possession, custody, or control.
14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.
15. Unless otherwise specified, the time period covered by this request is from January 1, 2009 to the present.
16. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data or information, not produced because it has not been located or discovered by the return date, shall be produced immediately upon subsequent location or discovery.
17. All documents shall be Bates-stamped sequentially and produced sequentially.
18. Two sets of documents shall be delivered, one set to the Majority Staff and one set to the Minority Staff. When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
