Dear Mr. Chairman:

Thank you for your letter of December 8, 2017, cosigned by your colleagues, regarding the guidance issued by the U.S. Department of Agriculture (USDA) since January 1, 2008.

Enclosed with this letter is USDA's inventory of the documents you requested. We believe this inventory captures the majority of documents you have requested. However, USDA will continue to gather potentially responsive documents and provide them to you no later than the last Friday of each month beginning in February 2018 and continuing through June 2018.

In an effort to comply with your request, USDA has identified circulars, frequently asked questions, bulletins, memoranda, and statements affecting the public, as well as guidance documents as they are defined in section I(3) of the Office of Management and Budget's Final Bulletin for Agency Good Guidance Practices, published on January 25, 2007. We note that it is the Office of Management and Budget's definition of guidance that the Government Accountability Office employed in their April 2015 report titled, "Regulatory Guidance Processes: Selected Departments Could Strengthen Internal Control and Dissemination Practices," GAO-15-368, as referenced in your December 8, 2017, letter.

We appreciate your interest in this issue. If you have any further questions, please have a member of your staff contact the Office of Congressional Relations at [REDACTED]. A similar response has been sent to your colleagues.

Sincerely,

A handwritten signature in blue ink, reading "Sonny Perdue", is positioned above the typed name and title.

Dear Mr. Chairman:

Thank you for your letter of December 8, 2017, cosigned by your colleagues, regarding the guidance issued by the U.S. Department of Agriculture (USDA) since January 1, 2008.

On December 22, 2017 we provided the majority of USDA's inventory of the documents you requested and agreed to continue collecting potentially responsive documents to be provided to you beginning in February 2018 and continuing through June 2018.

Consistent with the commitment we made, we have enclosed with this letter additional material responsive to your earlier request.

In an effort to comply with your request, USDA has identified circulars, frequently asked questions, bulletins, memoranda, and statements affecting the public, as well as guidance documents as they are defined in section I(3) of the Office of Management and Budget's Final Bulletin for Agency Good Guidance Practices, published on January 25, 2007. We note that it is the Office of Management and Budget's definition of guidance that the Government Accountability Office employed in their April 2015 report titled, "Regulatory Guidance Processes: Selected Departments Could Strengthen Internal Control and Dissemination Practices," GAO-15-368, as referenced in your December 8, 2017, letter.

We appreciate your interest in this issue. If you have any further questions, please have a member of your staff contact the Office of Congressional Relations at [REDACTED]. A similar response has been sent to your colleagues.

Sincerely,

Dear Chairmen Gowdy, Meadows, Jordan, Palmer, and Farenthold:

This is in response to your January 11, 2018 letter seeking information on federal agencies' use of "guidance documents" and requesting a list of any "guidance documents" issued by each agency since January 1, 2008. For the reasons stated below, the U.S. Postal Service does not have information that would meaningfully respond to the Committee on Oversight and Government Reform's request.

The Postal Service is not an "agency" within the meaning of Title 5 of the United States Code. It is an independent establishment of the executive branch of the Government,<sup>1</sup> and sells products and services to the public.<sup>2</sup> In creating the modern Postal Service (and

<sup>2</sup> See *Shane v. Buck*, 658 F. Supp. 908, 914 (D. Utah 1985) ("The Postal Service is primarily concerned with the delivery of services, not with regulation."), *aff'd*, 817 F.2d 87 (10th Cir. 1987); *accord Standard Oil Div., Am. Oil Co. v. Starks*, 528 F.2d 201, 204 (7th Cir. 1975) (noting that "most" of the Postal Service's work "is not governmental in nature," and it exercises "powers that are common to any business organization").

abolishing its Cabinet-level predecessor, the Post Office Department) by passing the Postal Reorganization Act of 1970 ("PRA"),<sup>3</sup> Congress's central purpose was to modernize the provision of postal services, end bureaucratic inefficiency and allow the Postal Service to operate like a business.<sup>4</sup> Congress recognized that, for the Postal Service to achieve its core mission of providing universal postal services to the public, it should operate free from the impediments that constrain typical agency action.<sup>5</sup>

Congress accomplished this aim largely by providing the Postal Service with operational independence "with powers equivalent to a private business enterprise."<sup>6</sup> So, for example, the Reorganization Act gives the Postal Service independent authority to direct its own operations based on business needs, including the authority to hire its own employees,<sup>7</sup> as well as the general powers to sue and be sued, to contract, to acquire and sell real and personal property, and to settle claims.<sup>8</sup> The PRA also broadly exempts the Postal Service from constraints affecting the operations of federal agencies, including "Federal laws dealing with public or federal contracts, property, works, officers, employees, budgets, or funds."<sup>9</sup> In addition, and perhaps most relevant here, the PRA grants the Postal Service independent authority to adopt, amend, and repeal such rules and regulations as may be necessary to execute its functions,<sup>10</sup> and exempts such rules and regulations from the rulemaking requirements of the Administrative Procedure Act.<sup>11</sup>

In fact, the Postal Service is exempt not only from the Administrative Procedure Act, but also from the entire framework within which Title 5 agencies exercise regulatory and policymaking power.<sup>12</sup> For example, the Paperwork Reduction Act, 44 U.S.C. § 3501 *et seq.*, which requires the Office of Management and Budget ("OMB"), among other things, to develop and oversee implementation of policies concerning the manner in which public information is disseminated and received, does not apply to the Postal Service.<sup>13</sup> Similarly,

<sup>5</sup> See 116 Cong. Rec. 21,709 (1970) (remarks of Sen. McGee) ("Delivering the mail is simply not in the same category of policymaking and program-development as foreign policy, national defense, housing, highway construction, or health and education assistance to State and local governments. It is an essential, business-oriented service, . . . [and] its role can be fulfilled with a greater degree of efficiency if it is removed from the ordinary channels, administrative controls, and legislative restrictions of other agencies in the executive branch."); see also H.R. Rep. No. 91-1104, at 13 (1970) (postal reform was designed to remove "management of the Postal Service from both presidential and congressional areas of concern"); S. Rep. <sup>9</sup> 39 U.S.C. § 410(a).

<sup>10</sup> 39 U.S.C. § 401(2).

<sup>11</sup> 39 U.S.C. § 410(a). See *Kuzma v. U.S. Postal Serv.*, 798 F.2d 29, 31 (2d Cir. 1986); *Nat'l Easter Seal Soc'y for Crippled Children & Adults v. U.S. Postal Serv.*, 656 F.2d 754, 766-67 (D.C. Cir. 1981).

<sup>12</sup> See *Am. Postal Works Union, AFL-CIO v. U.S. Postal Serv.*, 541 F.Supp. 2d 95, 98 (D.D.C. 2008) (in restructuring the Postal Service, Congress chose "the expedient of cost-constraints over the impediment of proceduralized oversight as the best way of keeping USPS in line with its mission.").

<sup>13</sup> *Kuzma*, 798 F.2d at 32; *Shane*, 658 F. Supp. at 915, *aff'd*, 817 F.2d 87.

the Postal Service is not subjected to OMB's *Final Bulletin for Agency Good Guidance Practices*,<sup>14</sup> which established review processes for "significant" sub-regulatory "guidance documents" issued by agencies; or to other aspects of the regulatory system originating in Executive Order 12866, which established the process through which federal regulatory actions taken by agencies are reviewed by the Office of Information and Regulatory Affairs ("OIRA") and which required agencies to submit a Unified Regulatory Agenda to OIRA detailing regulatory actions under development or review.<sup>15</sup> Just as Executive Order 12866 did not apply to the Postal Service, neither did subsequent Executive Orders that maintained and built upon the framework that it established.<sup>16</sup>

For these reasons, the issues identified in the April 2015 Report of the Government Accountability Office (GAO), on which the Committee's January 11 letter relied, are inapplicable to the Postal Service. For federal "agencies," the distinction between "regulations" and "guidance documents" determines whether an agency action is subject to the rulemaking requirements of the APA. Similarly, the distinction between "significant" guidance documents and other guidance documents dictates whether an agency action is subject to OMB's *Good Guidance* rules (and OIRA review). None of these distinctions are relevant to the Postal Service's actions. To be sure, like any business, the Postal Service publishes reference materials to educate customers about the services it offers and to assist customers in complying with relevant technical requirements. It has made these materials widely available through its customer-facing websites, RIBBS (<https://ribbs.usps.gov>), and PostalPro (<https://postalpro.usps.com>). Further, it has published since 1880 the *Postal Bulletin*, a bi-weekly compendium of updates to service offerings, procedures and forms (<https://about.usps.com/postal-bulletin/welcome.htm>). But these are not "guidance documents" as defined in the Committee's letter, because the Postal Service does not operate within the rulemaking apparatus that applies to agencies. Accordingly, we do not believe we have any documents that would meaningfully respond to the Committee's request.

Please let me know if you have any questions.

Sincerely,

Thomas J. Marshall

Dependents' Educational Assistance	Rule	This document amends the Department of Veterans Affairs (VA) regulation regarding dependents' educational assistance. A recent statutory change provides eligibility for dependents' educational assistance for dependents of servicepersons who meet certain criteria. This final rule is necessary to incorporate statutory amendments into VA regulations. Education: Approval of Accredited Courses for VA Education Benefits	Rule	This document amends regulations governing aspects of educational assistance programs administered by the Department of Veterans Affairs (VA) to remove a requirement that had mirrored a former statutory requirement. This final rule reflects a statutory amendment that removed the statutory requirement that educational institutions offering accredited courses must notify VA and the student using VA education benefits of the amount of credit granted for the student's prior education and training. Copayment for Medication	Notice	The Department of Veterans Affairs (VA) is hereby giving notice that there is no change in the medication copayment rate for calendar year 2008 and the rate will remain at \$8.00. The total amount of copayments in a calendar year for a veteran enrolled in one of the Priority Groups 2 through 6 shall not exceed the cap of \$960.00. These rates are based on the Prescription Drug component of the Medical Consumer Price Index as cited in title 38, Code of Federal Regulations, part 17, Sec. 17.110. VA Acquisition Regulation: Plain Language Rewrite	Rule	This document amends the Department of Veterans Affairs (VA) Acquisition Regulation (VAAR). This document revises the VAAR to conform to plain language principles, updates delegations of authority, and removes non-regulatory material. The document also makes changes in format, arrangement, and numbering to make the VAAR parallel to the Federal Acquisition Regulation (FAR) as required by the FAR. In addition, provisions that simply restate FAR provisions that are already applicable have been removed, and procedures for providing notice and a hearing to resolve issues regarding possible violations of the Gratuities clause, for establishing qualified products lists, for suspending or debarring a contractor, for expediting payments to small businesses, and for reducing or suspending payments upon a finding of contract fraud have been added. The VAAR clause on Organizational Conflicts of Interest has been expanded to cover a broader range of services that may be subject to organizational conflicts of interest. Additional VAAR clauses have been added to the list of clauses for use in commercial item solicitations and contracts. Items that have been deleted include requirements for setting aside construction and architect-engineer solicitations for small businesses that are in conflict with current statute, a requirement to conduct an audit of section 8(a) price proposals that is contrary to current FAR requirements, and a VAAR provision that requested data from offerors on veteran-owned small businesses that has been replaced by a FAR provision. Guidance to contracting officers on the types of data that should be requested from a contractor when evaluating the contractor's financial condition has been added. Other additions include a	E7-25380	https://www.federalregister.gov/documents/2008/01/15/E7-25380/va-acquisition-regulation-plain-language-rewrite	https://www.gpo.gov/fdsys/pkg/FR-2008-01-15/pdf/E7-25380.pdf	1/15/2008

Veterans Education: Incorporation of Miscellaneous Statutory Provisions	Rule	This document amends regulations governing various aspects of the education programs administered by the Department of Veterans Affairs. These amendments reflect some of the provisions of the Veterans Education and Benefits Expansion Act of 2001, the Veterans Benefits Act of 2003, and the Veterans Benefits, Health Care, and Information Technology Act of 2006. The changes include: Restoration of certain education benefits for individuals being ordered to active duty; restoration of Survivors' and Dependents' Educational Assistance to certain full-time National Guard members; an opportunity for certain Vietnam-era veterans to qualify for Montgomery GI Bill education benefits; an increase in the maximum amount an individual can receive under the Senior Reserve Officer Training Corps educational assistance program and still qualify for the Montgomery GI Bill--Active Duty program; establishment of an ending date of the eligibility period for spouses under the Survivors' and Dependents' Educational Assistance program; expansion of special restorative training benefits to certain disabled spouses or disabled surviving spouses; and providing educational benefits for an independent study course that leads to a certificate reflecting educational attainment offered by an institution of higher learning. The document also amends the education regulations by making changes to reflect current agency organization and nonsubstantive changes for the purpose of readability or clarity. Allowance for Private Purchase of an Outer Burial Receptacle in Lieu of a Government-Furnished Graveliner for a Grave in a VA National Cemetery	Notice	Public Law 104-275 was enacted on October 9, 1996. It allows the Department of Veterans Affairs (VA) to provide a monetary allowance towards the private purchase of an outer burial receptacle for use in a VA national cemetery. Under VA regulation (38 CFR 38.629), the allowance is equal to the average cost of Government-furnished graveliners less any administrative costs to VA. The law provides a veteran's survivors with the option of selecting a Government-furnished graveliner for use in a VA national cemetery where such use is authorized. The purpose of this Notice is to notify interested parties of the average cost of Government-furnished graveliners, administrative costs that relate to processing and paying the allowance, and the amount of the allowance payable for qualifying interments that occur during calendar year 2008. Loan Guaranty: Loan Servicing and Claims Procedures Modifications	Rule	This document establishes a new series for the Department of Veterans Affairs (VA) Loan Guaranty regulations, which will be phased in over an approximately eleven-month timeframe, as mortgage servicing industry segments ``go live" on a new computer-based tracking system being established by VA. This new series replicates existing regulations for most aspects of the VA Loan Guaranty program, but also includes changes related to several aspects of the servicing and liquidating of guaranteed housing loans in default, and the submitting of guaranty claims by loan holders. Specific topics revised in the new 4800 series include: increasing authority of servicers to implement loss-mitigation options, making incentive payments to servicers for successful loss-mitigation options, establishing a system of measuring and ranking servicer performance, establishing updated reporting requirements, permitting loan holders to review liquidation appraisals, requiring holders to calculate the net value of the security property prior to foreclosure, establishing a timeframe for when foreclosure of a defaulted loan should be completed, limiting the amount of interest and other fees and charges that may be included in a guaranty claim, establishing allowable attorneys fees to be included in the guaranty claim, establishing a deadline for the submission of guaranty claims, modifying the requirements for title evidence for properties conveyed to VA following foreclosure, modifying the requirements for how long a holder must maintain records relating to loans for which VA has paid a claim on the guaranty, and eliminating the requirement for the submission of legal procedural papers to VA. This document also includes specific revisions to three	08-337	<a href="https://www.federalregister.gov/documents/2008/02/01/08-337/loan-guaranty-loan-servicing-and-claims-procedures-modifications">https://www.federalregister.gov/documents/2008/02/01/08-337/loan-guaranty-loan-servicing-and-claims-procedures-modifications</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2008-02-01/pdf/08-337.pdf">https://www.gpo.gov/fdsys/pkg/FR-2008-02-01/pdf/08-337.pdf</a>	2/1/2008

Data Breaches	Rule	This document adopts, without change, the interim final rule that was published in the Federal Register on June 22, 2007, addressing data breaches of sensitive personal information that is processed or maintained by the Department of Veterans Affairs (VA). This final rule implements certain provisions of the Veterans Benefits, Health Care, and Information Technology Act of 2006. The regulations prescribe the mechanisms for taking action in response to a data breach of sensitive personal information. GR Modifier Use by the Department of Veterans Affairs	Notice	The Department of Veterans Affairs (VA) bills health benefit plans for the cost of certain care delivered to veterans. Starting with dates of service on and after January 1, 2006, when medical residents deliver care in a VA Medical Center or clinic under the supervision of an attending physician, VA will issue its bill in the name of the attending physician but append the Healthcare Common Procedural Coding System (HCPCS) Level II modifier ``-GR" to the CPT code for the service. For billing and payment purposes, the ``-GR" modifier when used on VA billings has the same effect as the ``-GC" or ``-GE" modifier when used in billings from non-VA providers. The use of the ``-GC" ``-GE" modifiers is generally discontinued in VA billings; they are used only as specifically permitted by VA policy. Elimination of Co-Payment for Weight Management Counseling	Rule	The Department of Veterans Affairs (VA) is taking direct action to amend its medical regulations concerning co-payments for inpatient hospital care and outpatient medical care. More specifically, this rule designates weight management counseling (individual and group sessions) as a service that is not subject to co-payment requirements. The intended effect of this direct final rule is to increase participation in weight management counseling by removing the co- payment barrier. This direct final rule also amends the medical regulations by making nonsubstantive changes to correct references to statutory provisions. Notice and Assistance Requirements and Technical Correction	Rule	The Department of Veterans Affairs (VA) is amending its regulation governing VA's duty to provide a claimant with notice of the information and evidence necessary to substantiate a claim and VA's duty to assist a claimant in obtaining the evidence necessary to substantiate the claim. The purpose of these changes is to clarify when VA has no duty to notify a claimant of how to substantiate a claim for benefits, to make the regulation comply with statutory changes, and to streamline the development of claims. Additionally, we are making a non-substantive, technical correction to the statutory references in a separate part 3 regulation. Graves Marked With a Private Headstone or Marker	Rule	The Department of Veterans Affairs (VA) is amending its regulations regarding the authority to provide a Government furnished headstone or marker for placement on already marked graves of eligible veterans in private cemeteries. Pursuant to section 203 of the Dr. James Allen Veteran Vision Equity Act of 2007, Congress has authorized VA to make this provision permanent and retroactive to November 1, 1990. This final rule is necessary to incorporate a statutory amendment into VA regulations. VA Veteran-Owned Small Business Verification Guidelines	Rule	This interim final rule implements portions of the Veterans Benefits, Health Care, and Information Technology Act of 2006. This law requires the Department of Veterans Affairs (VA) to verify ownership and control of veteran-owned small businesses, including service- disabled veteran-owned small businesses. According to this interim final rule, a contracting officer in the Department of Veterans Affairs may restrict competition for a requirement to a service-disabled veteran-owned small business (SDVOSB) or to a veteran-owned small business (VOSB) if that business is listed as ``verified" in the VetBiz.gov Vendor Information Pages (VIP) database. The interim final rule defines the eligibility requirements for businesses to obtain ``verified" status, explains examination procedures, and establishes records retention and review processes. Accreditation of Agents and Attorneys; Agent and Attorney Fees	Rule	The Department of Veterans Affairs (VA) is amending its regulations governing the representation of claimants for veterans benefits in order to implement provisions of the Veterans Benefits, Health Care, and Information Technology Act of 2006, and to reorganize and clarify existing regulations. As amended, the regulations establish the procedures and rules necessary for VA to facilitate the paid representation of claimants by accredited agents and attorneys after a Notice of Disagreement has been filed with respect to a case. The purpose of these regulations is to fulfill Congress' direction that agents and attorneys may be paid for services rendered after a Notice of Disagreement is filed with respect to a decision by an agency of original jurisdiction while ensuring that claimants for veterans benefits have responsible, qualified representation. Survivors' and Dependents' Educational Assistance Program Period of Eligibility for Eligible Children and Other Miscellaneous Issues	Rule	The Department of Veterans Affairs (VA) is amending its regulations governing the Survivors' and Dependents' Educational Assistance (DEA) program to implement statutory provisions in the Veterans Benefits and Health Care Improvement Act of 2000, the Veterans' Survivor Benefits Improvements Act of 2001, the Veterans Education and Benefits Expansion Act of 2001, the Veterans Benefits Act of 2002, and the Veterans Benefits Act of 2003. As a result of these statutory provisions, certain eligible children may choose the beginning date of their period of eligibility and eligible children who serve on active duty or in the National Guard may receive extensions to the ending date of their period of eligibility. These statutory provisions also allow VA to consider certain qualifying beneficiaries' original claims as having been filed retroactively to their eligibility dates. In addition, they allow certain eligible DEA beneficiaries to be paid for preparatory courses for tests required or used for admission to an institution of higher education or a graduate school. Further, these provisions permit eligible children to receive benefits for such preparatory courses even if the courses are taken before their 18th birthday. This document implements these provisions of law by amending pertinent regulations. This rule is necessary to update the regulations and to implement statutory provisions, including provisions of the Veterans Millennium Health Care and Benefits Act. Disclosure of Information to Organ, Tissue and Eye Procurement Organizations	Rule	This document adopts, with changes, a Department of Veterans Affairs (VA) interim final rule that implemented provisions of the Veterans Benefits, Health Care, and Information Technology Act of 2006 concerning disclosure of information to organ, tissue and eye procurement organizations. The regulation will provide authority for VA to provide individually-identifiable VA medical records of veterans or dependents of veterans who are deceased or whose death is imminent to representatives of organ procurement organizations, eye banks, and tissue banks to determine whether the patients are suitable potential donors. This document modifies the interim final rule to clarify the definition of ``near death" and to correct a grammatical error in the definition of ``procurement organization." This document also clarifies that eye bank and tissue bank registration with FDA must have an active status. Elimination of Co-Payment for Weight Management Counseling	Rule	The Department of Veterans Affairs (VA) published a direct final rule amending our medical regulations to designate weight management counseling (individual and group sessions) as a service that is not subject to VA's co-payment requirements. Board of Veterans' Appeals: Expedited Claims Adjudication Initiative-Pilot Program	Rule	The Department of Veterans Affairs (VA) is launching an initiative for accelerated claims and appeals processing at four VA facilities, based on voluntary participation by eligible claimants. The purpose of this initiative is to determine whether VA can expedite the processing of claims and appeals by obtaining claimants' waivers of certain statutory and regulatory response periods, and by utilizing the Board of Veterans' Appeals' (Board or BVA) statutory authority to pre- screen cases. VA's responsibility to fully develop and decide cases in a fair, accurate, and non adversarial manner remains unchanged under this initiative. If this initiative is successful at the four trial sites, the data obtained may provide a basis for expanding some, or all, of the program nationwide, and ultimately help accelerate the processing of all claims and appeals. The parameters of the initiative are set forth in these regulations. Headstones and Markers	Rule	The Department of Veterans Affairs (VA) is amending existing regulations regarding the authority to provide Government-furnished memorial headstones and markers. Memorial headstones or markers are provided in certain circumstances to memorialize eligible veterans and certain family members whose remains are not available for interment. Pursuant to Sec. 810 of Public Law 110-389, the Veterans' Benefits Improvement Act of 2008, eligibility for a memorial headstone or marker for placement in a national or State veterans cemetery has been extended to a veteran's surviving spouse who had a subsequent remarriage and whose remains are unavailable for interment. Previously, a memorial headstone or marker could be provided for a veteran's surviving spouse who had a subsequent remarriage only if that remarriage was terminated by death or divorce. This final rule is necessary to incorporate a statutory amendment into VA regulations. Class Deviation From Federal Acquisition Regulation 32.905 Electronic Submission of Invoices	Notice	This is to notify interested parties of a class deviation to the Federal Acquisition Regulation (FAR) regarding the submission of electronic invoices for payment. VA intends to deviate from FAR 32.905 in order to add an interim clause to the VA Acquisition Regulation (VAAR). This service will apply to all Government contracts managed by VA's Financial Services Center in Austin, Texas. A proposed and final rule to make this service mandatory will be published in the Federal Register in the coming months. Elimination of Requirement for Prior Signature Consent and Pre- and Post-Test Counseling for HIV Testing	Rule	This document adopts, without change, the proposed rule published in the Federal Register on December 29, 2008, updating informed consent requirements related to testing for the Human Immunodeficiency Virus (HIV) for Veterans receiving health care from the Department of Veterans Affairs (VA). This final rule is in accordance with related provisions of the Veteran's Mental Health and Other Care Improvements Act of 2008. The final rule eliminates the regulatory requirement for written informed consent for HIV testing and specific pre- and post-test counseling of Veteran patients. VA will implement this rule through internal policy guidance specifying these requirements and how they apply to HIV testing. Medication Prescribed by Non-VA Physicians	Rule	This document amends and adopts an interim final rule that governs the provision of medications to veterans when medication is prescribed by physicians who are not employees of nor are they providing care under contract with the Department of Veterans Affairs (VA). In a document published in the Federal Register on July 25, 2003, VA issued an interim final rule establishing a temporary program while also maintaining the program that it had in place before the interim final rule. Because the need cited in the interim final rule has abated and because the provisions added by the interim final rule were self-limiting in time and scope, we are removing these provisions which established the now obsolete temporary program. The amendment implements a decision by the Secretary to establish such a presumption based on scientific studies. VA is additionally amending its adjudication regulations to establish a presumption of service connection for osteoporosis for POWs who were detained or interned for any period of time, have a diagnosis of posttraumatic stress disorder (PTSD), and whose osteoporosis is at least 10 percent disabling. Expansion of Enrollment in the VA Health Care System; Correction	Rule	The Department of Veterans Affairs (VA) published a final rule in the Federal Register on May 15, 2009 (74 FR 22832), amending its medical regulations regarding enrollment in the VA health care system. In particular, it established additional sub-priorities within enrollment priority category 8 and provided that beginning on the effective date of the rule, VA will begin enrolling priority category 8 veterans whose income exceeds the current means test and geographic means test income thresholds by 10 percent or less. A provision in the regulatory text contained a reference to the effective date of the regulation instead of providing the actual effective date. VA Acquisition Regulation: Supporting Veteran-Owned and Service-Disabled Veteran-Owned Small Businesses	Rule	This document implements portions of the Veterans Benefits, Health Care, and Information Technology Act of 2006 (the Act) and Executive Order 13360, providing opportunities for service-disabled veteran-owned small businesses (SDVOSB) to increase their Federal contracting and subcontracting. The Act and the Executive Order authorize the Department of Veterans Affairs (VA) to establish special methods for contracting with SDVOSBs and veteran-owned small businesses (VOSB). Under this final rule, a VA contracting officer may restrict competition to contracting with SDVOSBs or VOSBs under certain conditions. Likewise, sole source contracts with SDVOSBs or VOSBs are permissible under certain conditions. This final rule implements these special acquisition methods as a change to the VA Acquisition Regulation (VAAR). This document additionally amends SDVOSB/VOSB, Small Business Status Protests, where VA provided that VA would utilize the U.S. Small Business Administration (SBA) to consider and decide SDVOSB and VOSB status protests. This requires VA and SBA to execute an interagency agreement pursuant to the Economy Act. Negotiations of this interagency agreement have not yet been finalized. Therefore, VA has amended these regulations with an interim rule to provide that VA's Executive Director, Office of Small and Disadvantaged Business Utilization (OSDBU) shall consider and decide SDVOSB and VOSB status protests, and provides procedures there for, until such time as the interagency agreement is executed by the agencies. VA hereby solicits comments on this regulatory amendment only. Allowance for Private Purchase of an Outer Burial Receptacle in Lieu of a Government-Furnished Graveliner for a Grave in a VA National Cemetery	Notice	Public Law 104-275 was enacted on October 9, 1996. It allows the Department of Veterans Affairs (VA) to provide a monetary allowance towards the private purchase of an outer burial receptacle for use in a VA national cemetery. Under VA regulation (38 CFR 38.629), the allowance is equal to the average cost of Government-furnished graveliners less any administrative costs to VA. The law provides a veteran's survivors with the option of selecting a Government-furnished graveliner for use in a VA national cemetery where such use is authorized. The purpose of this Notice is to notify interested parties of the average cost of Government-furnished graveliners, administrative costs that relate to processing and paying the allowance, and the amount of the allowance payable for qualifying interments that occur during calendar year 2010.	2010-155	<a href="https://www.federalregister.gov/documents/2010/01/11/2010-155/allowance-for-private-purchase-of-an-outer-burial-receptacle-in-lieu-of-a-government-furnished">https://www.federalregister.gov/documents/2010/01/11/2010-155/allowance-for-private-purchase-of-an-outer-burial-receptacle-in-lieu-of-a-government-furnished</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2010-01-11/pdf/2010-155.pdf">https://www.gpo.gov/fdsys/pkg/FR-2010-01-11/pdf/2010-155.pdf</a>	1/11/2010

Vocational Rehabilitation and Employment Program-Self-Employment	Rule	This document amends the vocational rehabilitation and employment regulations of the Department of Veterans Affairs (VA) concerning self-employment for individuals with qualifying disabilities. We are making changes to conform VA's regulations for self-employment programs for veterans, and for servicemembers awaiting discharge, to statutory provisions, including provisions limiting eligibility for certain supplies, equipment, stock, and license fees to individuals with the most severe service-connected disabilities. We are also making related changes in VA's regulations affecting eligibility for such assistance for certain veterans' children with birth defects in self-employment programs. In addition, we are amending our regulations regarding the approval authority for self-employment plans to make certain requirements less restrictive and less burdensome, to remove a vague and overly broad requirement, to make changes to reflect longstanding VA policy, and to make nonsubstantive clarifying changes.	2010-882	<a href="https://www.federalregister.gov/documents/2010/01/20/2010-882/vocational-rehabilitation-and-employment-program-self-employment">https://www.federalregister.gov/documents/2010/01/20/2010-882/vocational-rehabilitation-and-employment-program-self-employment</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2010-01-20/pdf/2010-882.pdf">https://www.gpo.gov/fdsys/pkg/FR-2010-01-20/pdf/2010-882.pdf</a>	1/20/2010

VA Veteran-Owned Small Business Verification Guidelines	Rule	This document affirms as final, with changes, an interim final rule that implements portions of the Veterans Benefits, Health Care, and Information Technology Act of 2006. This law requires the Department of Veterans Affairs (VA) to verify ownership and control of veteran-owned small businesses, including service-disabled veteran- owned small businesses. This final rule defines the eligibility requirements for businesses to obtain ``verified" status, explains examination procedures, and establishes records retention and review processes. The final rule retains the interim final rule with changes based on the comments received. This document additionally implements new interim final requirements, that eligible owners work full-time in the business for which they have applied for acceptance in the Verification Program, changes the time period for issuance of reconsideration decisions from 30 to 60 days, and changes the distribution of profits for limited liability companies and employee stock ownership plans and solicits comments on these regulatory amendments only.	2010-2648	<a href="https://www.federalregister.gov/documents/2010/02/08/2010-2648/va-veteran-owned-small-business-verification-guidelines">https://www.federalregister.gov/documents/2010/02/08/2010-2648/va-veteran-owned-small-business-verification-guidelines</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2010-02-08/pdf/2010-2648.pdf">https://www.gpo.gov/fdsys/pkg/FR-2010-02-08/pdf/2010-2648.pdf</a>	2/8/2010

Copayments for Medications After June 30, 2010	Rule	This document amends the Department of Veterans Affairs (VA) medical regulations concerning the copayment required for certain medications. Under current regulations, the copayment amount must be increased based on the prescription drug component of the Medical Consumer Price Index (CPI-P), and the maximum annual copayment amount must be increased when the copayment is increased. Under the amendments in this rule, until January 1, 2012, we will freeze copayments at the current rate for veterans in VA's health care system enrollment priority categories 2 through 6 and increase copayments as required by the current regulation only for veterans in priority categories 7 and 8. Thereafter, if VA does not prescribe a new methodology for increasing copayments, we will resume increasing copayments in accordance with any change in the CPI-P.	2010-13871	<a href="https://www.federalregister.gov/documents/2010/06/09/2010-13871/copayments-for-medications-after-june-30-2010">https://www.federalregister.gov/documents/2010/06/09/2010-13871/copayments-for-medications-after-june-30-2010</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2010-06-09/pdf/2010-13871.pdf">https://www.gpo.gov/fdsys/pkg/FR-2010-06-09/pdf/2010-13871.pdf</a>	6/9/2010
Loan Guaranty: Elimination of Redundant Regulations	Rule	This document eliminates redundant and obsolete provisions in the Department of Veterans Affairs (VA) loan guaranty regulations. State Cemetery Grants	Rule	The Department of Veterans Affairs (VA) is issuing this final rule to amend regulations governing grants to States for the establishment, expansion, and improvement of State veterans cemeteries (Establishment, Expansion, and Improvement Projects). We are implementing through regulation new statutory authority to provide grants for the operation and maintenance of State veterans cemeteries (Operation and Maintenance Projects), as authorized by the Dr. James Allen Veteran Vision Equity Act of 2007 (the Act), enacted on December 26, 2007. The Act expands VA authority to provide grants to States for operating and maintaining State veterans cemeteries and limits to \$5 million the aggregate amount of such grants VA may award in any fiscal year. VA is amending its regulations to outline the process, the criteria, and the priorities relating to the award of these Operation and Maintenance Project grants. This final rule will also amend our regulations by changing the arrangement and numbering of the current regulatory sections, incorporating some non-substantive changes to the regulations, and removing specific forms from this part that are available at <a href="http://www.cem.va.gov/cecm/scg_grants.asp">http://www.cem.va.gov/cecm/scg_grants.asp</a> .	2010-14058	<a href="https://www.federalregister.gov/documents/2010/06/16/2010-14058/state-cemetery-grants">https://www.federalregister.gov/documents/2010/06/16/2010-14058/state-cemetery-grants</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2010-06-16/pdf/2010-14058.pdf">https://www.gpo.gov/fdsys/pkg/FR-2010-06-16/pdf/2010-14058.pdf</a>	6/16/2010
Summary of Precedent Opinions of the General Counsel	Notice	The Department of Veterans Affairs (VA) is publishing a summary of legal interpretations issued by the Office of General Counsel involving Veterans' benefits under laws administered by VA. This interpretation is considered precedential by VA and will be followed by VA officials and employees in future claim matters involving the same legal issues. Stressor Determinations for Posttraumatic Stress Disorder	Rule	The Department of Veterans Affairs (VA) is amending its adjudication regulations governing service connection for posttraumatic stress disorder (PTSD) by liberalizing in some cases the evidentiary standard for establishing the required in-service stressor. This amendment eliminates the requirement for corroborating that the claimed in-service stressor occurred if a stressor claimed by a veteran is related to the veteran's fear of hostile military or terrorist activity and a VA psychiatrist or psychologist, or a psychiatrist or psychologist with whom VA has contracted, confirms that the claimed stressor is adequate to support a diagnosis of PTSD and that the veteran's symptoms are related to the claimed stressor, provided that the claimed stressor is consistent with the places, types, and circumstances of the veteran's service. This amendment takes into consideration the current scientific research studies relating PTSD to exposure to hostile military and terrorist actions. The amendment acknowledges the inherently stressful nature of the places, types, and circumstances of service in which fear of hostile military or terrorist activities is ongoing. With this amendment, the evidentiary standard of establishing an in-service stressor will be reduced in these cases. The amendment will facilitate the timely processing of PTSD claims by simplifying the development and research procedures that apply to these claims.	2010-16885	<a href="https://www.federalregister.gov/documents/2010/07/13/2010-16885/stressor-determinations-for-posttraumatic-stress-disorder">https://www.federalregister.gov/documents/2010/07/13/2010-16885/stressor-determinations-for-posttraumatic-stress-disorder</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2010-07-13/pdf/2010-16885.pdf">https://www.gpo.gov/fdsys/pkg/FR-2010-07-13/pdf/2010-16885.pdf</a>	7/13/2010
Disenrollment Procedures	Rule	This document makes technical amendments to the Department of Veterans Affairs (VA) regulation concerning enrollment and disenrollment from the VA medical care system. It removes the "automatic enrollment" provision relevant to a 1998 trial enrollment program that has been discontinued. It also amends the regulation to reflect current VA practice and to update the address for documents mailed to the VA Health Eligibility Center. Finally, it provides an internet address for accessing VA Form 10-10EZ online.	2010-21297	<a href="https://www.federalregister.gov/documents/2010/08/27/2010-21297/disenrollment-procedures">https://www.federalregister.gov/documents/2010/08/27/2010-21297/disenrollment-procedures</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2010-08-27/pdf/2010-21297.pdf">https://www.gpo.gov/fdsys/pkg/FR-2010-08-27/pdf/2010-21297.pdf</a>	8/27/2010
Deceased Indebted Servicemembers and Veterans: Authority Concerning Certain Indebtedness	Rule	This document amends Department of Veterans Affairs (VA) regulations to implement certain statutory provisions that grant limited authority to the Secretary of Veterans Affairs to terminate collection action on certain debts arising from a VA benefit program when the indebted individual is a member of the Armed Forces or a veteran who dies as a result of injury incurred or aggravated in the line of duty while serving in a theater of combat operations in a war or in combat against a hostile force during a period of hostilities on or after September 11, 2001, and to refund amounts collected after the individual's death. This document also implements statutory provisions that grant the Secretary discretionary authority to suspend or terminate collection of debts owed to VA by individuals who died while serving on active duty as a member of the Army, Navy, Air Force, Marine Corps, or Coast Guard during a period when the Coast Guard is operating as a service in the Navy, and to refund amounts collected after the individual's death.	2010-21668	<a href="https://www.federalregister.gov/documents/2010/08/31/2010-21668/deceased-indebted-servicemembers-and-veterans-authority-concerning-certain-indebtedness">https://www.federalregister.gov/documents/2010/08/31/2010-21668/deceased-indebted-servicemembers-and-veterans-authority-concerning-certain-indebtedness</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2010-08-31/pdf/2010-21668.pdf">https://www.gpo.gov/fdsys/pkg/FR-2010-08-31/pdf/2010-21668.pdf</a>	8/31/2010
Diseases Associated With Exposure to Certain Herbicide Agents (Hairy Cell Leukemia and Other Chronic B-Cell Leukemias, Parkinson's Disease and Ischemic Heart Disease)	Rule	This document amends the Department of Veterans Affairs (VA) adjudication regulations concerning presumptive service connection for certain diseases based upon the most recent National Academy of Sciences (NAS) Institute of Medicine committee report, Veterans and Agent Orange: Update 2008 (Update 2008). This amendment is necessary to implement the decision of the Secretary of Veterans Affairs that there is a positive association between exposure to certain herbicides and the subsequent development of hairy cell leukemia and other chronic B- cell leukemias, Parkinson's disease, and ischemic heart disease. The effect of this amendment is to establish presumptive service connection for these diseases based on herbicide exposure.	2010-21556	<a href="https://www.federalregister.gov/documents/2010/08/31/2010-21556/diseases-associated-with-exposure-to-certain-herbicide-agents-hairy-cell-leukemia-and-other-chronic">https://www.federalregister.gov/documents/2010/08/31/2010-21556/diseases-associated-with-exposure-to-certain-herbicide-agents-hairy-cell-leukemia-and-other-chronic</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2010-08-31/pdf/2010-21556.pdf">https://www.gpo.gov/fdsys/pkg/FR-2010-08-31/pdf/2010-21556.pdf</a>	8/31/2010

Medical; Nonsubstantive Miscellaneous Changes; Correction	Rule	The Department of Veterans Affairs (VA) published a final rule in the Federal Register on May 13, 1996 (61 FR 21964), amending its medical regulations in 38 CFR part 17 by making a number of nonsubstantive changes. Specifically, section numbers were redesignated, redundant and obsolete material was removed, certain position and organizational titles were changed, and material previously deleted was restored. The document contained an error in an amendatory instruction. We removed portions of Sec. 17.31 and inadvertently redesignated Sec. 17.31(b)(5) as the new Sec. 17.31, creating two sections for Sec. 17.31. This document will correct that error by removing the second, obsolete Sec. 17.31.	2010-22252	<a href="https://www.federalregister.gov/documents/2010/09/08/2010-22252/medical-nonsubstantive-miscellaneous-changes-correction">https://www.federalregister.gov/documents/2010/09/08/2010-22252/medical-nonsubstantive-miscellaneous-changes-correction</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2010-09-08/pdf/2010-22252.pdf">https://www.gpo.gov/fdsys/pkg/FR-2010-09-08/pdf/2010-22252.pdf</a>	9/8/2010

Charges Billed to Third Parties for Prescription Drugs Furnished by VA to a Veteran for a Nonservice Connected Disability	Rule	This document amends the medical regulations of the Department of Veterans Affairs (VA) concerning ``reasonable charges" for medical care or services provided or furnished by VA to a veteran for a nonservice-connected disability. More specifically, VA amends the regulations regarding charges billed for prescription drugs not administered during treatment by changing the billing formula to reflect VA's actual drug costs for each drug rather than using a national average drug cost for all prescriptions dispensed. The revised formula for calculating reasonable charges for prescription drug costs will also continue to include an average administrative cost for each prescription. The purpose is to provide VA with a more accurate billing methodology for prescription drugs.	2010-25043	<a href="https://www.federalregister.gov/documents/2010/10/06/2010-25043/charges-billed-to-third-parties-for-prescription-drugs-furnished-by-va-to-a-veteran-for-a">https://www.federalregister.gov/documents/2010/10/06/2010-25043/charges-billed-to-third-parties-for-prescription-drugs-furnished-by-va-to-a-veteran-for-a</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2010-10-06/pdf/2010-25043.pdf">https://www.gpo.gov/fdsys/pkg/FR-2010-10-06/pdf/2010-25043.pdf</a>	10/6/2010

Health Outcomes Not Associated With Exposure to Certain Herbicide Agents; Veterans and Agent Orange: Update 2008	Notice	As required by law, the Department of Veterans Affairs (VA) hereby gives notice that the Secretary of Veterans Affairs, under the authority of the Agent Orange Act of 1991, Public Law 102-4 (codified in relevant part at 38 U.S.C. 1116), has determined that a presumption of service connection is not warranted based on exposure to herbicides used in the Republic of Vietnam during the Vietnam Era for any of the diseases, illnesses, or health effects identified in the July 24, 2009, National Academy of Sciences (NAS) report entitled ``Veterans and Agent Orange: Update 2008" (Update 2008), except for hairy cell leukemia (HCL) and other chronic b-cell leukemias, Parkinson's disease, and ischemic heart disease. In this regard, the Secretary of Veterans Affairs determined, based upon the NAS report, that there is a positive association between exposure to herbicides and the subsequent development of HCL and other chronic b-cell leukemias, Parkinson's disease, and ischemic heart disease. The Secretary recently published a notice of proposed rulemaking to implement this decision. See 75 FR 14391 (Mar. 25, 2010). The determination to not establish a presumption of service connection, based on exposure to herbicides used in the Republic of Vietnam during the Vietnam era for any other of the diseases, illnesses, or health effects identified in the July 24, 2009, NAS report, does not in any way preclude VA from granting service connection for these diseases, including those specifically discussed in this notice, nor does it change any existing rights or procedures. The Secretary's determinations regarding individual diseases are based on all available evidence in the 2008 report of the NAS and prior NAS reports. VA Veteran-Owned Small Business Verification Guidelines	Rule	This document affirms as final, with changes, a final rule with request for comments that implemented portions of the Veterans Benefits, Health Care, and Information Technology Act of 2006. Per Diem Payments for the Care Provided to Eligible Veterans Evacuated From a State Home as a Result of an Emergency	Rule	The Department of Veterans Affairs (VA) amends its regulations concerning per diem payments to States to permit continuation of such payments in some situations for veterans who have been evacuated from a State home as a result of an emergency. Per diem is the daily rate paid by VA to a State for providing a specified level of care to eligible veterans in a facility that is officially recognized and certified by VA. This final rule authorizes VA to continue to pay per diem when veterans for whom VA is paying per diem are evacuated as a result of an emergency from a State home to a facility that is not recognized by VA as a State home. The rule requires, in order for per diem payments to continue while the veteran is relocated due to an emergency, that an appropriate VA official determine whether an emergency exists and whether the facility to which veterans may be evacuated (evacuation facility) complies with certain minimum standards. The rule establishes the minimum standards that facilities to which veterans are evacuated must meet in order for States to continue receiving per diem for relocated veterans. These standards also apply to evacuation facilities when veterans are evacuated from contract nursing homes.	2011-22920	<a href="https://www.federalregister.gov/documents/2011/09/08/2011-22920/per-diem-payments-for-the-care-provided-to-eligible-veterans-evacuated-from-a-state-home-as-a-result">https://www.federalregister.gov/documents/2011/09/08/2011-22920/per-diem-payments-for-the-care-provided-to-eligible-veterans-evacuated-from-a-state-home-as-a-result</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2011-09-08/pdf/2011-22920.pdf">https://www.gpo.gov/fdsys/pkg/FR-2011-09-08/pdf/2011-22920.pdf</a>	9/8/2011

Allowance for Private Purchase of an Outer Burial Receptacle in Lieu of a Government-Furnished Graveliner for a Grave in a VA National Cemetery	Notice	Public Law 104-275 was enacted on October 9, 1996. It allows the Department of Veterans Affairs (VA) to provide a monetary allowance towards the private purchase of an outer burial receptacle for use in a VA national cemetery. Under VA regulation (38 CFR 38.629), the allowance is equal to the average cost of Government-furnished graveliners less any administrative costs to VA. The law provides a veteran's survivors with the option of selecting a Government-furnished graveliner for use in a VA national cemetery where such use is authorized. The purpose of this Notice is to notify interested parties of the average cost of Government-furnished graveliners, administrative costs that relate to processing and paying the allowance and the amount of the allowance payable for qualifying interments that occur during calendar year 2012.	2011-31753	<a href="https://www.federalregister.gov/documents/2011/12/12/2011-31753/allowance-for-private-purchase-of-an-outer-burial-receptacle-in-lieu-of-a-government-furnished">https://www.federalregister.gov/documents/2011/12/12/2011-31753/allowance-for-private-purchase-of-an-outer-burial-receptacle-in-lieu-of-a-government-furnished</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2011-12-12/pdf/2011-31753.pdf">https://www.gpo.gov/fdsys/pkg/FR-2011-12-12/pdf/2011-31753.pdf</a>	12/12/2011

Medical Benefits for Newborn Children of Certain Woman Veterans	Rule	The Department of Veterans Affairs (VA) is amending its regulation concerning the medical benefits package offered to veterans enrolled in the VA health care system. This rulemaking updates the regulation to conform to amendments made by the enactment of the Caregivers and Veteran Omnibus Health Services Act of 2010, which authorized VA to provide certain health care services to a newborn child of a woman veteran who is receiving maternity care furnished by VA. Health services for newborn care will be authorized for no more than seven days after the birth of the child if the veteran delivered the child in a VA facility or in another facility pursuant to a VA contract for maternity services.	2011-32264	<a href="https://www.federalregister.gov/documents/2011/12/19/2011-32264/medical-benefits-for-newborn-children-of-certain-woman-veterans">https://www.federalregister.gov/documents/2011/12/19/2011-32264/medical-benefits-for-newborn-children-of-certain-woman-veterans</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2011-12-19/pdf/2011-32264.pdf">https://www.gpo.gov/fdsys/pkg/FR-2011-12-19/pdf/2011-32264.pdf</a>	12/19/2011
Copayments for Medications in 2012	Rule	The Department of Veterans Affairs (VA) amends its medical regulations concerning the copayment required for certain medications. Under current regulations, beginning on January 1, 2012, the copayment amount must be increased based on the prescription drug component of the Medical Consumer Price Index, and the maximum annual copayment amount must be increased when the copayment is increased. A prior action ``froze" the copayment amount for veterans in VA's health care system enrollment priority categories 2 through 6 and allowed for increased copayments, as required by the current regulation, only for veterans in priority categories 7 and 8. This document freezes copayments at the current rate for veterans in priority categories 2 through 6 for the next 12 months, and thereafter resumes increasing copayments in accordance with any change in the prescription drug component of the Medical Consumer Price Index (CPI-P).	2011-32532	<a href="https://www.federalregister.gov/documents/2011/12/20/2011-32532/copayments-for-medications-in-2012">https://www.federalregister.gov/documents/2011/12/20/2011-32532/copayments-for-medications-in-2012</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2011-12-20/pdf/2011-32532.pdf">https://www.gpo.gov/fdsys/pkg/FR-2011-12-20/pdf/2011-32532.pdf</a>	12/20/2011
Loan Guaranty Revised Loan Modification Procedures	Rule	This document amends a Department of Veterans Affairs (VA) Loan Guaranty regulation related to modification of guaranteed housing loans in default. Specifically, changes are made to requirements related to maximum interest rates on modified loans and to items that may be capitalized in a modified loan amount. In addition, we are revising the regulation to clarify that the holder of a loan may seek VA approval for a loan modification that does not otherwise meet prescribed conditions. The amendments are intended to liberalize the requirements for modification of VA-guaranteed loans and provide holders more options for working with veterans to avoid foreclosure.	2011-32528	<a href="https://www.federalregister.gov/documents/2011/12/20/2011-32528/loan-guaranty-revised-loan-modification-procedures">https://www.federalregister.gov/documents/2011/12/20/2011-32528/loan-guaranty-revised-loan-modification-procedures</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2011-12-20/pdf/2011-32528.pdf">https://www.gpo.gov/fdsys/pkg/FR-2011-12-20/pdf/2011-32528.pdf</a>	12/20/2011

The amendments are required by section 402 of the Veterans' Mental Health and Other Care Improvements Act of 2008. Among other things, the amendments authorize VA to pay for emergency treatment provided to a veteran at a non-VA facility up to the time the veteran can be safely transferred to a VA or other Federal facility and such facility is capable of accepting the transfer, or until such transfer was actually accepted, so long as the non-VA facility made and documented reasonable attempts to transfer the veteran to a VA or other Federal facility.	2011-32413	<a href="https://www.federalregister.gov/documents/2011/12/21/2011-32413/payment-or-reimbursement-for-emergency-treatment-furnished-by-non-va-providers-in-non-va-facilities">https://www.federalregister.gov/documents/2011/12/21/2011-32413/payment-or-reimbursement-for-emergency-treatment-furnished-by-non-va-providers-in-non-va-facilities</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2011-12-21/pdf/2011-32413.pdf">https://www.gpo.gov/fdsys/pkg/FR-2011-12-21/pdf/2011-32413.pdf</a>	12/21/2011

Vocational Rehabilitation and Employment Program-Changes to Subsistence Allowance	Rule	This document adopts as final, without change, the interim final rule amending regulations of the Department of Veterans Affairs (VA) to reflect changes made by the Post-9/11 Veterans Educational Assistance Improvements Act of 2010, effective August 1, 2011, that affect payment of vocational rehabilitation benefits for certain service-disabled veterans. Pursuant to these changes, a veteran, who is eligible for a subsistence allowance under chapter 31 of title 38, United States Code, and educational assistance under chapter 33 of title 38, United States Code, may participate in a rehabilitation program under chapter 31 and elect to receive a payment equal in amount to an applicable military housing allowance payable under title 37, United States Code, instead of the regular subsistence allowance under chapter 31. In addition, payments of subsistence allowances during periods between school terms are discontinued, and payments during periods of temporary school closings are modified.	2012-452	<a href="https://www.federalregister.gov/documents/2012/01/12/2012-452/vocational-rehabilitation-and-employment-program-changes-to-subsistence-allowance">https://www.federalregister.gov/documents/2012/01/12/2012-452/vocational-rehabilitation-and-employment-program-changes-to-subsistence-allowance</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-01-12/pdf/2012-452.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-01-12/pdf/2012-452.pdf</a>	1/12/2012
Schedule for Rating Disabilities; Evaluation of Scars; Correction	Rule	The Department of Veterans Affairs (VA) published in the Federal Register of September 23, 2008, a document amending its Schedule for Rating Disabilities by revising that portion of the Schedule that addresses the Skin, so that it more clearly reflected VA's policies concerning the evaluation of scars. In the preamble of that document, VA incorrectly stated the applicability date. VA made a similar error in the first sentence of the introductory paragraph of 38 CFR 4.118. This document corrects the error in the introductory paragraph of Sec. 4.118.	2012-1001	<a href="https://www.federalregister.gov/documents/2012/01/20/2012-1001/schedule-for-rating-disabilities-evaluation-of-scars-correction">https://www.federalregister.gov/documents/2012/01/20/2012-1001/schedule-for-rating-disabilities-evaluation-of-scars-correction</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-01-20/pdf/2012-1001.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-01-20/pdf/2012-1001.pdf</a>	1/20/2012

Dental Conditions	Rule	The Department of Veterans Affairs (VA) adopts as a final rule the proposal to amend its adjudication regulations regarding service connection of dental conditions for treatment purposes. This amendment clarifies that principles governing determinations by VA's Veterans Benefits Administration (VBA) for service connection of dental conditions for the purpose of establishing eligibility for dental treatment by VA's Veterans Health Administration (VHA), apply only when VHA requests information or a rating from VBA for those purposes. This amendment also clarifies existing regulatory provisions and reflects the respective responsibilities of VHA and VBA in determinations concerning eligibility for dental treatment.	2012-1873	<a href="https://www.federalregister.gov/documents/2012/01/30/2012-1873/dental-conditions">https://www.federalregister.gov/documents/2012/01/30/2012-1873/dental-conditions</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-01-30/pdf/2012-1873.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-01-30/pdf/2012-1873.pdf</a>	1/30/2012
Tribal Veterans Cemetery Grants	Rule	This final rule amends the Department of Veterans Affairs (VA) regulations governing Federal grants for the establishment, expansion, and improvement of veterans cemeteries. This final rule implements through regulation new statutory authority to provide grants for the establishment, expansion, and improvement of Tribal Organization veterans cemeteries, as authorized by Section 403 of the ``Veterans Benefits, Health Care, and Information Technology Act of 2006" (the Act). The Act requires VA to administer grants to Tribal Organizations in the same manner and under the same conditions as grants to States. This final rule makes non-substantive changes to the part heading of Part 39 and the name of the State Cemetery Grants Service to more accurately reflect that VA awards veteran cemetery grants to States and Tribal Organizations. The final rule establishes criteria to guide VA's decisions on granting Tribal Organization requests to obtain grants for establishing, expanding, and improving veterans cemeteries that are or will be owned and operated by a Tribal Organization. The final rule also expands VA's preapplication requirement to all veterans cemetery grants as a means to promote consistency and communication in the grant application process. Further, the final rule revises VA regulations to address structural differences between Tribal Organizations and States.	2012-1874	<a href="https://www.federalregister.gov/documents/2012/01/30/2012-1874/tribal-veterans-cemetery-grants">https://www.federalregister.gov/documents/2012/01/30/2012-1874/tribal-veterans-cemetery-grants</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-01-30/pdf/2012-1874.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-01-30/pdf/2012-1874.pdf</a>	1/30/2012
Parents Eligible for Burial	Rule	The Department of Veterans Affairs (VA) amends existing regulations to reflect a new statutory authority to extend eligibility for burial in a national cemetery to include parents of certain veterans, as authorized by the Veterans' Benefits Act of 2010 (the Act), enacted on October 13, 2010. The Act authorizes the Secretary of Veterans Affairs to inter the biological or legally adoptive parents of a deceased veteran if the deceased veteran is a hostile casualty or dies from a training-related injury, is interred in a VA national cemetery in a gravesite with available space, and has no spouse or child who is buried, or surviving spouse or child who, upon death, may be eligible for burial, in a national cemetery.	2012-2043	<a href="https://www.federalregister.gov/documents/2012/01/31/2012-2043/parents-eligible-for-burial">https://www.federalregister.gov/documents/2012/01/31/2012-2043/parents-eligible-for-burial</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-01-31/pdf/2012-2043.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-01-31/pdf/2012-2043.pdf</a>	1/31/2012
Medical Foster Homes	Rule	This document amends the Department of Veterans Affairs (VA) ``Medical" regulations to add rules relating to medical foster homes. Prior to this final rule, VA's medical foster home program had, whenever possible and appropriate, relied upon regulations governing community residential care facilities; however, those regulations did not cover all aspects of medical foster homes, which provide community based care in a smaller, residential facility and to a more medically complex and disabled population. This final rule reflects current VA policy and practice, and generally conforms to industry standards and expectations.	2012-2063	<a href="https://www.federalregister.gov/documents/2012/02/02/2012-2063/medical-foster-homes">https://www.federalregister.gov/documents/2012/02/02/2012-2063/medical-foster-homes</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-02-02/pdf/2012-2063.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-02-02/pdf/2012-2063.pdf</a>	2/2/2012
Meeting the Challenge of Pandemic Influenza: Ethical Guidance for Leaders and Health Care Professionals in the Veterans Health Administration	Notice	The Department of Veterans Affairs (VA) through its National Center for Ethics in Health Care (NCEHC) invites interested parties to comment on a guidance document entitled ``Meeting the Challenge of Pandemic Influenza: Ethical Guidance for Leaders and Health Care Professionals in the Veterans Health Administration." (Guidance). Schedule for Rating Disabilities; AL Amyloidosis (Primary Amyloidosis)	Rule	The Department of Veterans Affairs (VA) is amending its Schedule for Rating Disabilities by updating the schedule of ratings for the hemic and lymphatic systems to include AL amyloidosis. This regulatory action is necessary to add AL amyloidosis as one of the disease conditions and establish criteria for disability evaluation to fully implement the decision by the Secretary of Veterans Affairs to grant presumptive service connection based on herbicide exposure for this disease. The intended effects are to provide consistency in disability ratings and to ease tracking of AL amyloidosis for statistical analysis.	2012-2883	<a href="https://www.federalregister.gov/documents/2012/02/08/2012-2883/schedule-for-rating-disabilities-al-amyloidosis-primary-amyloidosis">https://www.federalregister.gov/documents/2012/02/08/2012-2883/schedule-for-rating-disabilities-al-amyloidosis-primary-amyloidosis</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-02-08/pdf/2012-2883.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-02-08/pdf/2012-2883.pdf</a>	2/8/2012
Due Date of Initial Application Requirements for State Home Construction Grants	Rule	This final rule amends the Department of Veterans Affairs (VA) regulations concerning the calendar date by which VA must receive an initial application for a State Home Construction Grant in order for the application to be included on the priority list for the award of grants during the next fiscal year. We require that initial application materials must be received by VA no later than April 15, instead of August 15, of the year before the fiscal year in which the application would be considered for inclusion on the priority list for the award of grants. We require certification of State matching funds to be submitted no later than August 1, instead of August 15, in order for the project to be placed in priority group 1 of the priority list for the next fiscal year. The purpose of these changes is to ensure that VA has sufficient time to process all applications received and timely prepare the priority list, so that we can accurately notify States that VA intends to select and fund particular projects. We also make technical revisions to conform our regulations to these revisions.	2012-4234	<a href="https://www.federalregister.gov/documents/2012/02/23/2012-4234/due-date-of-initial-application-requirements-for-state-home-construction-grants">https://www.federalregister.gov/documents/2012/02/23/2012-4234/due-date-of-initial-application-requirements-for-state-home-construction-grants</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-02-23/pdf/2012-4234.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-02-23/pdf/2012-4234.pdf</a>	2/23/2012

Drug and Drug-Related Supply Promotion by Pharmaceutical Company Representatives at VA Facilities	Rule	This final rule amends the Department of Veterans Affairs (VA) regulations regarding access to VA facilities by pharmaceutical company representatives. The purposes of the rule are to reduce or eliminate any potential for disruption in the patient care environment, manage activities and promotions at VA facilities, and provide pharmaceutical company representatives with a consistent standard of permissible business practice at VA facilities. The amendments will facilitate mutually beneficial relationships between VA and pharmaceutical company representatives.	2012-5279	<a href="https://www.federalregister.gov/documents/2012/03/05/2012-5279/drug-and-drug-related-supply-promotion-by-pharmaceutical-company-representatives-at-va-facilities">https://www.federalregister.gov/documents/2012/03/05/2012-5279/drug-and-drug-related-supply-promotion-by-pharmaceutical-company-representatives-at-va-facilities</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-03-05/pdf/2012-5279.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-03-05/pdf/2012-5279.pdf</a>	3/5/2012
Exempting In-Home Video Telehealth From Copayments	Rule	The Department of Veterans Affairs (VA) is taking final action to amend its regulation that governs VA services that are not subject to copayment requirements for inpatient hospital care or outpatient medical care. Specifically, the regulation is amended to exempt in-home video telehealth care from having any required copayment. This removes a barrier that may have previously discouraged veterans from choosing to use in-home video telehealth as a viable medical care option. In turn, VA hopes to make the home a preferred place of care, whenever medically appropriate and possible.	2012-5354	<a href="https://www.federalregister.gov/documents/2012/03/06/2012-5354/exempting-in-home-video-telehealth-from-copayments">https://www.federalregister.gov/documents/2012/03/06/2012-5354/exempting-in-home-video-telehealth-from-copayments</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-03-06/pdf/2012-5354.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-03-06/pdf/2012-5354.pdf</a>	3/6/2012

Rules Governing Hearings Before the Agency of Original Jurisdiction and the Board of Veterans' Appeals; Repeal of Prior Rule Change	Rule	The Department of Veterans Affairs (VA) is taking final action to amend its hearing regulations to repeal a prior amendment that specified that the provisions regarding hearings before the Agency of Original Jurisdiction (AOJ) do not apply to hearings before the Board of Veterans' Appeals (Board). This action is being taken because of VA's decision that the prior amendment should have followed the notice- and-comment procedure of the Administrative Procedure Act (APA).	2012-9295	<a href="https://www.federalregister.gov/documents/2012/04/18/2012-9295/rules-governing-hearings-before-the-agency-of-original-jurisdiction-and-the-board-of-veterans">https://www.federalregister.gov/documents/2012/04/18/2012-9295/rules-governing-hearings-before-the-agency-of-original-jurisdiction-and-the-board-of-veterans</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-04-18/pdf/2012-9295.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-04-18/pdf/2012-9295.pdf</a>	4/18/2012

Payment or Reimbursement for Emergency Services for Nonservice-Connected Conditions in Non-VA Facilities	Rule	This document amends the Department of Veterans Affairs (VA) ``Payment or Reimbursement for Emergency Services for Nonservice- Connected Conditions in Non-VA Facilities'' regulations to conform with a statutory change that expanded veterans' eligibility for reimbursement. Some of the revisions in this final rule are purely technical, matching the language of our regulations to the language of the revised statute, while others set out VA's policies regarding the implementation of statutory requirements. This final rule expands the qualifications for payment or reimbursement to veterans who receive emergency services in non-VA facilities, and establishes accompanying standards for the method and amount of payment or reimbursement.	2012-9265	<a href="https://www.federalregister.gov/documents/2012/04/20/2012-9265/payment-or-reimbursement-for-emergency-services-for-nonservice-connected-conditions-in-non-va">https://www.federalregister.gov/documents/2012/04/20/2012-9265/payment-or-reimbursement-for-emergency-services-for-nonservice-connected-conditions-in-non-va</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-04-20/pdf/2012-9265.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-04-20/pdf/2012-9265.pdf</a>	4/20/2012
Technical Revisions To Update Reference to the Required Assessment Tool for State Nursing Homes Receiving Per Diem Payments From VA	Rule	This rule updates the reference to the required resident assessment tool for State homes that receive per diem from VA for providing nursing home care to veterans. It requires State nursing homes receiving per diem from VA to use the most recent version of the Centers for Medicare and Medicaid Services (CMS) Resident Assessment Instrument/Minimum Data Set (MDS), which is version 3.0. This will ensure that the standard used to assess veterans is the same as the standard applicable to Medicare and Medicaid beneficiaries.	2012-10590	<a href="https://www.federalregister.gov/documents/2012/05/03/2012-10590/technical-revisions-to-update-reference-to-the-required-assessment-tool-for-state-nursing-homes">https://www.federalregister.gov/documents/2012/05/03/2012-10590/technical-revisions-to-update-reference-to-the-required-assessment-tool-for-state-nursing-homes</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-05-03/pdf/2012-10590.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-05-03/pdf/2012-10590.pdf</a>	5/3/2012
Copayments for Medications in 2012	Rule	This document affirms as final, without change, an interim final rule amending the Department of Veterans Affairs (VA) medical regulations concerning the copayment required for certain medications. The interim final rule froze until December 31, 2012, the copayment amount for veterans in the VA health care system in enrollment priority categories 2 through 6 at the 2011 level, which was \$8. The interim final rule also froze until December 31, 2012, the maximum annual copayment amount for enrollment priority categories 2 through 6, which was \$960. On January 1, 2013, the copayment amounts may increase based on the prescription drug component of the Medical Consumer Price Index (CPI-P). VASRD Status Summit: A Public Overview of Proposed Disability Evaluation Criteria	Notice	The Veterans Benefits Administration (VBA) will host the Department of Veterans Affairs (VA) Schedule for Rating Disabilities (VASRD) Status Summit: A Public Overview of Proposed Disability Evaluation Criteria. The purpose of the VASRD Status Summit is to capture public comments on working drafts of proposed regulations for nine body systems and promote transparency by providing the proposed contents of those working drafts to the public. VA has previously hosted VASRD Forums, where subject matter experts and members of the public provided their input, prior to the drafting of proposed regulations for the body systems. VA plans to use comments provided at and following this Summit to consider edits and review updates pertaining to the following nine body systems: (1) The Hemic and Lymphatic Systems (38 CFR 4.117), (2) The Endocrine System (38 CFR 4.119), (3) Mental Disorders (38 CFR 4.125-4.130), (4) Infectious Diseases, Immune Disorders and Nutritional Deficiencies (38 CFR 4.88-4.89), (5) The Musculoskeletal System (38 CFR 4.40-4.73), (6) The Digestive System (38 CFR 4.110-4.114), (7) The Genitourinary System (38 CFR 4.115-4.115b), (8) Dental and Oral Conditions (38 CFR 4.149-4.150), and a newly proposed body system, Rheumatic Diseases. Specifically, working drafts containing proposed revisions to diagnostic code descriptors and evaluation criteria will be available for public review and comment.	2012-12285	<a href="https://www.federalregister.gov/documents/2012/05/21/2012-12285/vasrd-status-summit-a-public-overview-of-proposed-disability-evaluation-criteria">https://www.federalregister.gov/documents/2012/05/21/2012-12285/vasrd-status-summit-a-public-overview-of-proposed-disability-evaluation-criteria</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-05-21/pdf/2012-12285.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-05-21/pdf/2012-12285.pdf</a>	5/21/2012

Service members' Group Life Insurance Traumatic Injury Protection Program-Genitourinary Losses	Rule	The Department of Veterans Affairs (VA) is issuing this final rule that amends the regulations governing the Service members' Group Life Insurance Traumatic Injury Protection (TSGLI) program by adding certain genitourinary (GU) system losses to the TSGLI Schedule of Losses and defining terms relevant to these new losses. This amendment is necessary to make qualifying GU losses a basis for paying TSGLI benefits to service members with severe GU injuries. The intended effect is to expand the list of losses for which TSGLI payments can be made. This document adopts as a final rule, without change, the interim final rule published in the Federal Register on December 2, 2011.	2012-13298	<a href="https://www.federalregister.gov/documents/2012/06/01/2012-13298/service-members-group-life-insurance-traumatic-injury-protection-program-genitourinary-losses">https://www.federalregister.gov/documents/2012/06/01/2012-13298/service-members-group-life-insurance-traumatic-injury-protection-program-genitourinary-losses</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-06-01/pdf/2012-13298.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-06-01/pdf/2012-13298.pdf</a>	6/1/2012
Clothing Allowance; Correction	Rule	The Department of Veterans Affairs (VA) published a final rule on November 16, 2011, amending its adjudication regulations governing eligibility for clothing allowances. VA has since determined that certain language added to the final rule could be construed to impose a restriction that VA did not intend. This document corrects that error.	2012-14108	<a href="https://www.federalregister.gov/documents/2012/06/11/2012-14108/clothing-allowance-correction">https://www.federalregister.gov/documents/2012/06/11/2012-14108/clothing-allowance-correction</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-06-11/pdf/2012-14108.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-06-11/pdf/2012-14108.pdf</a>	6/11/2012
Autopsies at VA Expense	Rule	The Department of Veterans Affairs (VA) is amending its regulation that governs the performance of autopsies on veterans. This final rule updates outdated cross-references to a statute that previously authorized certain outpatient and ambulatory care, which included post-hospitalization autopsies, and its implementing regulation. This final rule clarifies that consent for an autopsy is implied if a known surviving spouse or next of kin has either not responded to a VA request for permission or has not inquired as to the decedent for 6 months before the decedent's death. This final rule modifies the current regulation to make the laws of the jurisdiction in which the autopsy will be performed the controlling laws for purposes of determining who has authority to grant permission for the autopsy. This final rule also clarifies the authorized purposes of a VA autopsy. Lastly, this final rule clarifies that the authority to order an autopsy includes transporting the body at VA's expense to the place where the autopsy will be performed.	2012-15624	<a href="https://www.federalregister.gov/documents/2012/06/27/2012-15624/autopsies-at-va-expense">https://www.federalregister.gov/documents/2012/06/27/2012-15624/autopsies-at-va-expense</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-06-27/pdf/2012-15624.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-06-27/pdf/2012-15624.pdf</a>	6/27/2012
VA Veteran-Owned Small Business Verification Guidelines	Rule	This document implements a portion of the Veterans Benefits, Health Care, and Information Technology Act of 2006, which requires the Department of Veterans Affairs (VA) to verify ownership and control of veteran-owned small businesses (VOSBs), including service-disabled veteran-owned small businesses (SDVOSBs) in order for these firms to participate in VA acquisitions set-aside for SDVOSB/VOSBs. This interim final rule contains a minor revision to require re-verification of SDVOSB/VOSB status only every two years rather than annually. The purpose of this change is to reduce the administrative burden on SDVOSB/VOSBs regarding participation in VA acquisitions set asides for these types of firms.	2012-15801	<a href="https://www.federalregister.gov/documents/2012/06/27/2012-15801/va-veteran-owned-small-business-verification-guidelines">https://www.federalregister.gov/documents/2012/06/27/2012-15801/va-veteran-owned-small-business-verification-guidelines</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-06-27/pdf/2012-15801.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-06-27/pdf/2012-15801.pdf</a>	6/27/2012
Dependency and Indemnity Compensation (DIC) Benefits for Survivors of Former Prisoners of War Rated Totally Disabled at Time of Death	Rule	The Department of Veterans Affairs (VA) is amending its adjudication regulation regarding benefits for survivors of former prisoners of war who were rated totally disabled at the time of death. This amendment is necessary to conform the regulation to the authorizing statutory provision. The effect of this amendment is to liberalize the eligibility criteria for dependency and indemnity compensation (DIC) based on the death of a former prisoner of war whose service-connected disabilities had been continuously rated totally disabling for at least 1 year when he or she died.	2012-16812	<a href="https://www.federalregister.gov/documents/2012/07/10/2012-16812/dependency-and-indemnity-compensation-dic-benefits-for-survivors-of-former-prisoners-of-war-rated">https://www.federalregister.gov/documents/2012/07/10/2012-16812/dependency-and-indemnity-compensation-dic-benefits-for-survivors-of-former-prisoners-of-war-rated</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-07-10/pdf/2012-16812.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-07-10/pdf/2012-16812.pdf</a>	7/10/2012

Core Values and Characteristics of the Department	Rule	This document amends the Department of Veterans Affairs' (VA) regulations concerning the standards of ethical conduct and related responsibilities of its employees by adding a new subpart for VA's Core Values and Characteristics. These foundational values and organizational characteristics define VA employees and articulate what VA stands for, respectively, and they are a set of guidelines that will be applied Department-wide to all VA employees. Determinations Concerning Illnesses Discussed in National Academy of Sciences Report: Veterans and Agent Orange: Update 2010	Notice	As required by law, the Department of Veterans Affairs (VA) hereby gives notice that the Secretary of Veterans Affairs, under the authority granted by the Agent Orange Act of 1991, codified at 38 U.S.C. 1116, has determined that there is no basis to establish a presumption of service connection at this time, based on exposure to herbicide agents, including the substance commonly known as Agent Orange, for several health effects discussed in the September 29, 2011, National Academy of Sciences (NAS) report titled: Veterans and Agent Orange: Update 2010 (hereinafter, ``Update 2010"). This determination does not in any way preclude VA from granting service connection for any disease, including those specifically discussed in this notice, nor does it change any existing rights or procedures. In a separate rulemaking, VA will propose to expand the current presumption for peripheral neuropathy.	2012-19635	<a href="https://www.federalregister.gov/documents/2012/08/10/2012-19635/determinations-concerning-illnesses-discussed-in-national-academy-of-sciences-report-veterans-and">https://www.federalregister.gov/documents/2012/08/10/2012-19635/determinations-concerning-illnesses-discussed-in-national-academy-of-sciences-report-veterans-and</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-08-10/pdf/2012-19635.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-08-10/pdf/2012-19635.pdf</a>	8/10/2012
Notice of Availability of an Environmental Impact Statement (EIS) for the San Francisco Veterans Affairs Medical Center (SFVAMC) Long Range Development Plan (LRDP)	Notice	Pursuant to the National Environmental Policy Act (NEPA) of 1969, as amended, (42 U.S.C. 4331 et seq.), the Council on Environmental Quality Regulations for Implementing the Procedural Requirements of NEPA (40 CFR parts 1500-1508), VA's Implementing Regulations (38 CFR part 26), as well as the settlement agreement resulting from Planning Association for Richmond, et al. v. U.S. Department of Veterans Affairs, C-06-02321-SBA (filed 6 June 2008), VA has prepared a Draft EIS for the proposed implementation of the SFVAMC LRDP in San Francisco, California. The SFVAMC LRDP involves development and construction of patient care buildings, research buildings, business occupancy buildings, and parking structures, as well as retrofitting seismically deficient buildings. The Draft EIS identifies and evaluates environmental factors associated with new construction, demolition, as well as seismic retrofit to upgrade the SFVAMC for purposes of meeting the needs of Veterans of the North Coast and San Francisco Bay Area over the next 20 years.	2012-20243	<a href="https://www.federalregister.gov/documents/2012/08/17/2012-20243/notice-of-availability-of-an-environmental-impact-statement-eis-for-the-san-francisco-veterans">https://www.federalregister.gov/documents/2012/08/17/2012-20243/notice-of-availability-of-an-environmental-impact-statement-eis-for-the-san-francisco-veterans</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-08-17/pdf/2012-20243.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-08-17/pdf/2012-20243.pdf</a>	8/17/2012

Fund Availability Under the Supportive Services for Veteran Families Program; Amendment	Notice	The Department of Veterans Affairs (VA) is announcing an amendment to the Notices of Fund Availability issued in fiscal years 2011 and 2012 for supportive services grants under the Supportive Services for Veteran Families (SSVF) Program. VA published two Notices in the Federal Register on December 17, 2010 (75 FR 79087), and on December 1, 2011 (76 FR 74849), titled, ``Fund Availability Under the Supportive Services for Veteran Families Program." Under ``Requirements for the Use of Supportive Services Grant Funds" section of the Notices, grantees were permitted to ``utilize a maximum of 30 percent of supportive services grant funds to provide the supportive service of temporary financial assistance paid directly to a third party on behalf of a participant for child care, transportation, rental assistance, utility-fee payment assistance, security deposits, utility deposits, moving costs, and emergency supplies in accordance with 38 CFR 62.33 and 62.34 of the final rule." VA has received comments from a variety of stakeholders that the 30 percent maximum for financial assistance is inadequate to meet the needs of Veteran families served in SSVF. For instance, the Department of Housing and Urban Development offers similar financial assistance through its Homeless Prevention and Rapid Re-housing and Emergency Solutions Grant programs without such caps and also allows longer time limits for financial assistance. Grantees have stated that they are turning away eligible Veteran families for services as they are unable to successfully intervene to meet the needs of these families within the program's limits on financial assistance. As this limit may interfere with the mission of the SSVF program to prevent and end homelessness, VA announces that	2012-23210	<a href="https://www.federalregister.gov/documents/2012/09/20/2012-23210/fund-availability-under-the-supportive-services-for-veteran-families-program-amendment">https://www.federalregister.gov/documents/2012/09/20/2012-23210/fund-availability-under-the-supportive-services-for-veteran-families-program-amendment</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-09-20/pdf/2012-23210.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-09-20/pdf/2012-23210.pdf</a>	9/20/2012
Exempting In-Home Video Telehealth From Copayments	Rule	The Department of Veterans Affairs (VA) published a direct final rule amending its regulation that governs VA services that are not subject to copayment requirements for inpatient hospital care or outpatient medical care. Specifically, the regulation exempted in-home video telehealth care from having any required copayment. VA received no significant adverse comments concerning this rule or its companion substantially identical proposed rule published on the same date. This document confirms that the direct final rule became effective on May 7, 2012. In a companion document in this issue of the Federal Register, we are withdrawing as unnecessary the proposed rule.	2012-23513	<a href="https://www.federalregister.gov/documents/2012/09/25/2012-23513/exempting-in-home-video-telehealth-from-copayments">https://www.federalregister.gov/documents/2012/09/25/2012-23513/exempting-in-home-video-telehealth-from-copayments</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-09-25/pdf/2012-23513.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-09-25/pdf/2012-23513.pdf</a>	9/25/2012

Removal of 30-Day Residency Requirement for Per Diem Payments	Rule	The Department of Veterans Affairs (VA) is taking direct final action to amend its regulations concerning per diem payments to State homes for the provision of nursing home care to veterans. Specifically, this rule removes the requirement that a veteran must have resided in a State home for 30 consecutive days before VA will pay per diem for that veteran when there is no overnight stay. The intended effect of this direct final rule is to permit per diem payments to State homes for veterans who do not stay overnight, regardless of how long the veterans have resided at the State homes, so that the State homes will hold the veterans' beds until the veterans return.	2012-23775	<a href="https://www.federalregister.gov/documents/2012/09/27/2012-23775/removal-of-30-day-residency-requirement-for-per-diem-payments">https://www.federalregister.gov/documents/2012/09/27/2012-23775/removal-of-30-day-residency-requirement-for-per-diem-payments</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-09-27/pdf/2012-23775.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-09-27/pdf/2012-23775.pdf</a>	9/27/2012

Under VA regulation (38 CFR 38.629), the allowance is equal to the average cost of Government-furnished graveliners less any administrative costs to VA. The law provides a Veteran's survivors with the option of selecting a Government-furnished graveliner for use in a VA national cemetery where such use is authorized. The purpose of this Notice is to notify interested parties of the average cost of Government-furnished graveliners, administrative costs that relate to processing and paying the allowance and the amount of the allowance payable for qualifying interments that occur during calendar year 2013.	2012-30307	<a href="https://www.federalregister.gov/documents/2012/12/17/2012-30307/allowance-for-private-purchase-of-an-outer-burial-receptacle-in-lieu-of-a-government-furnished">https://www.federalregister.gov/documents/2012/12/17/2012-30307/allowance-for-private-purchase-of-an-outer-burial-receptacle-in-lieu-of-a-government-furnished</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-12-17/pdf/2012-30307.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-12-17/pdf/2012-30307.pdf</a>	12/17/2012

Presumption of Exposure to Herbicides for Blue Water Navy Vietnam Veterans Not Supported	Notice	On May 20, 2011, at the request of the Department of Veterans Affairs (VA), the Institute of Medicine (IOM) of the National Academy of Sciences issued a report titled, ``Blue Water Navy Vietnam Veterans and Agent Orange Exposure." The IOM reviewed a wide range of data sources including peer-reviewed literature, exposure and transport modeling, interviews with veterans, ship deck logs, and other government documents, and concluded that there is insufficient evidence to determine whether Blue Water Navy Veterans were exposed to Agent Orange-associated herbicides during the Vietnam War. After careful review of the IOM report, the Secretary determines that the evidence available at this time does not support establishing a presumption of exposure to herbicides for Blue Water Navy Vietnam Veterans. VA will continue to accept and review all Blue Water Navy Vietnam Veteran claims based on herbicide exposure on a case-by-case basis.	2012-30909	<a href="https://www.federalregister.gov/documents/2012/12/26/2012-30909/presumption-of-exposure-to-herbicides-for-blue-water-navy-vietnam-veterans-not-supported">https://www.federalregister.gov/documents/2012/12/26/2012-30909/presumption-of-exposure-to-herbicides-for-blue-water-navy-vietnam-veterans-not-supported</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-12-26/pdf/2012-30909.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-12-26/pdf/2012-30909.pdf</a>	12/26/2012

Copayments for Medications in 2013	Rule	The Department of Veterans Affairs (VA) amends its medical regulations concerning the copayment required for certain medications. But for this rulemaking, beginning on January 1, 2013, the copayment amount would increase based on a formula set forth in regulation. The maximum annual copayment amount payable by veterans would also increase. For 2012, VA ``froze" the copayment amount for veterans in VA's health care system enrollment priority categories 2 through 6, but allowed copayments to increase based on the regulatory formula for veterans in priority categories 7 and 8. However, that formula did not trigger an increase in the copayment amount for veterans in priority categories 7 and 8. This rulemaking freezes copayments at the current rate for veterans in priority categories 2 through 8 for 2013, and thereafter resumes increasing copayments in accordance with the regulatory formula.	2012-31432	<a href="https://www.federalregister.gov/documents/2012/12/31/2012-31432/copayments-for-medications-in-2013">https://www.federalregister.gov/documents/2012/12/31/2012-31432/copayments-for-medications-in-2013</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2012-12-31/pdf/2012-31432.pdf">https://www.gpo.gov/fdsys/pkg/FR-2012-12-31/pdf/2012-31432.pdf</a>	12/31/2012

The planned actions are based in part on VA's review of the analysis and recommendations in an October 31, 2011, report of the Institute of Medicine (IOM) of the National Academy of Sciences (NAS) concerning the potential long-term health consequences of exposure to burn pits in Iraq and Afghanistan.	2013-02264	<a href="https://www.federalregister.gov/documents/2013/02/04/2013-02264/initial-research-on-the-long-term-health-consequences-of-exposure-to-burn-pits-in-iraq-and">https://www.federalregister.gov/documents/2013/02/04/2013-02264/initial-research-on-the-long-term-health-consequences-of-exposure-to-burn-pits-in-iraq-and</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-02-04/pdf/2013-02264.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-02-04/pdf/2013-02264.pdf</a>	2/4/2013

Grants for the Rural Veterans Coordination Pilot (RVCP)	Rule	The Department of Veterans Affairs (VA) adopts as a final rule, without change, the proposal to establish a pilot program known as the Rural Veterans Coordination Pilot (RVCP). The RVCP will provide grants to eligible community-based organizations and local and State government entities to be used by these organizations and entities to assist veterans and their families who are transitioning from military service to civilian life in rural or underserved communities. VA will use information obtained through the pilot program to evaluate the effectiveness of using community-based organizations and local and State government entities to improve the provision of services to transitioning veterans and their families. Five RVCP grants will be awarded for a 2-year period in discrete locations pursuant to a Notice of Funds Availability (NOFA) to be published in the Federal Register.	2013-04277	<a href="https://www.federalregister.gov/documents/2013/02/25/2013-04277/grants-for-the-rural-veterans-coordination-pilot-rvcp">https://www.federalregister.gov/documents/2013/02/25/2013-04277/grants-for-the-rural-veterans-coordination-pilot-rvcp</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-02-25/pdf/2013-04277.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-02-25/pdf/2013-04277.pdf</a>	2/25/2013

Request for Information: Public-Private Collaborations in Pain Research	Notice	The Department of Veterans Affairs (VA) publishes this Request for Information (RFI) on public-private collaborations in pain research, seeking to connect the Veterans Health Administration's (VHA) Office of Research and Development (ORD) with commercial organizations that are conducting, or have an interest in conducting, pain research through a Cooperative Research and Development Agreement (CRADA). The CRADA is to develop public-private collaborations in pain research with the intent of developing novel therapies that will benefit Veterans suffering from chronic pain conditions.	2013-04248	<a href="https://www.federalregister.gov/documents/2013/02/25/2013-04248/request-for-information-public-private-collaborations-in-pain-research">https://www.federalregister.gov/documents/2013/02/25/2013-04248/request-for-information-public-private-collaborations-in-pain-research</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-02-25/pdf/2013-04248.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-02-25/pdf/2013-04248.pdf</a>	2/25/2013
VA Homeless Providers Grant and Per Diem Program	Rule	This document adopts as a final rule, with changes, the proposed rule to amend the Department of Veterans Affairs (VA) regulations concerning VA's Homeless Providers Grant and Per Diem Program (Program). This rulemaking updates and improves the clarity of these regulations, and implements and authorizes new VA policies.	2013-04222	<a href="https://www.federalregister.gov/documents/2013/02/25/2013-04222/va-homeless-providers-grant-and-per-diem-program">https://www.federalregister.gov/documents/2013/02/25/2013-04222/va-homeless-providers-grant-and-per-diem-program</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-02-25/pdf/2013-04222.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-02-25/pdf/2013-04222.pdf</a>	2/25/2013
Removal of 30-Day Residency Requirement for Per Diem Payments	Rule	The Department of Veterans Affairs (VA) published a direct final rule amending its regulations concerning per diem payments to State homes for the provision of nursing home care to veterans. Specifically, this rule removes the requirement that a veteran must have resided in a State home for 30 consecutive days before VA will pay per diem for that veteran when there is no overnight stay. VA received no significant adverse comments concerning this rule or its companion substantially identical proposed rule published on the same date. This document confirms that the direct final rule became effective on November 26, 2012. In a companion document in this issue of the Federal Register, we are withdrawing as unnecessary the proposed rule.	2013-06828	<a href="https://www.federalregister.gov/documents/2013/03/26/2013-06828/removal-of-30-day-residency-requirement-for-per-diem-payments">https://www.federalregister.gov/documents/2013/03/26/2013-06828/removal-of-30-day-residency-requirement-for-per-diem-payments</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-03-26/pdf/2013-06828.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-03-26/pdf/2013-06828.pdf</a>	3/26/2013
Grants for Transportation of Veterans in Highly Rural Areas	Rule	The Department of Veterans Affairs (VA) amends its regulations to establish a new program to provide grants to eligible entities to assist veterans in highly rural areas through innovative transportation services to travel to VA medical centers, and to otherwise assist in providing transportation services in connection with the provision of VA medical care to these veterans, in compliance with section 307 of title III of the Caregivers and Veterans Omnibus Health Services Act of 2010. This final rule establishes procedures for evaluating grant applications under the new grant program, and otherwise administering the new grant program.	2013-07636	<a href="https://www.federalregister.gov/documents/2013/04/02/2013-07636/grants-for-transportation-of-veterans-in-highly-rural-areas">https://www.federalregister.gov/documents/2013/04/02/2013-07636/grants-for-transportation-of-veterans-in-highly-rural-areas</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-04-02/pdf/2013-07636.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-04-02/pdf/2013-07636.pdf</a>	4/2/2013
Grants to States for Construction or Acquisition of State Homes	Rule	This interim final rule amends the Department of Veterans Affairs (VA) regulation on the prioritization of State applications for VA grants for the construction or acquisition of State home facilities that furnish domiciliary, nursing home, or adult day health care to veterans. As amended, the regulation gives preference to State applications that would use grant funds solely or primarily (under certain circumstances) to remedy cited life or safety deficiencies. This rulemaking also makes certain necessary technical amendments to regulations governing State home grants.	2013-08366	<a href="https://www.federalregister.gov/documents/2013/04/10/2013-08366/grants-to-states-for-construction-or-acquisition-of-state-homes">https://www.federalregister.gov/documents/2013/04/10/2013-08366/grants-to-states-for-construction-or-acquisition-of-state-homes</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-04-10/pdf/2013-08366.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-04-10/pdf/2013-08366.pdf</a>	4/10/2013
Compensation Cost-of-Living Adjustments for Service-Connected Benefits	Notice	As required by the Veterans' Compensation Cost-of-Living Adjustment Act of 2012, Public Law 112-198, the Department of Veterans Affairs (VA) is hereby giving notice of adjustments in certain benefit rates. Payment for Home Health Services and Hospice Care to Non-VA Providers	Rule	The Department of Veterans Affairs (VA) amends its regulations concerning the billing methodology for non-VA providers of home health services and hospice care. Because the newly applicable methodology cannot supersede rates for which VA has specifically contracted, this rulemaking will only affect home health and hospice care providers who do not have existing negotiated contracts with VA. This rule also rescinds internal guidance documents that could be interpreted as conflicting with this final rule.	2013-10694	<a href="https://www.federalregister.gov/documents/2013/05/06/2013-10694/payment-for-home-health-services-and-hospice-care-to-non-v-a-providers">https://www.federalregister.gov/documents/2013/05/06/2013-10694/payment-for-home-health-services-and-hospice-care-to-non-v-a-providers</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-05-06/pdf/2013-10694.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-05-06/pdf/2013-10694.pdf</a>	5/6/2013

Tentative Eligibility Determinations; Presumptive Eligibility for Psychosis and Other Mental Illness	Rule	This document amends the Department of Veterans Affairs (VA) regulation authorizing tentative eligibility determinations to comply with amended statutory authority concerning minimum active-duty service requirements. This document also codifies in regulation statutory presumptions of medical care eligibility for veterans of certain wars and conflicts who developed psychosis within specified time periods and for Persian Gulf War veterans who developed a mental illness other than psychosis within 2 years after service and within 2 years after the end of the Persian Gulf War period.	2013-11410	<a href="https://www.federalregister.gov/documents/2013/05/14/2013-11410/tentative-eligibility-determinations-presumptive-eligibility-for-psychosis-and-other-mental-illness">https://www.federalregister.gov/documents/2013/05/14/2013-11410/tentative-eligibility-determinations-presumptive-eligibility-for-psychosis-and-other-mental-illness</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-05-14/pdf/2013-11410.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-05-14/pdf/2013-11410.pdf</a>	5/14/2013

Copayments for Medications in 2013	Rule	This document adopts as a final rule, without change, an interim final rule amending the Department of Veterans Affairs (VA) medical regulations to freeze the copayments required for certain medications provided by VA until December 31, 2013. Under that rule, the copayment amounts for all enrolled veterans were maintained at the same rates as they were in 2012, which were \$8 for veterans in priority groups 2-6 and \$9 for veterans in priority groups 7 and 8. On January 1, 2014, the copayment amounts may increase based on the prescription drug component of the Medical Consumer Price Index (CPI-P).	2013-12252	<a href="https://www.federalregister.gov/documents/2013/05/23/2013-12252/copayments-for-medications-in-2013">https://www.federalregister.gov/documents/2013/05/23/2013-12252/copayments-for-medications-in-2013</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-05-23/pdf/2013-12252.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-05-23/pdf/2013-12252.pdf</a>	5/23/2013
Community Residential Care	Rule	The Department of Veterans Affairs (VA) amends its regulations concerning approval of non-VA community residential care facilities to allow VA to waive such facilities' compliance with standards that do not jeopardize the health or safety of residents. Waiver would be authorized in those limited circumstances where the deficiency cannot be corrected to meet a standard provided for in VA regulation. Authorizing this waiver will prevent veterans from needlessly choosing to move out of established and appropriate living situations due to minor deficiencies in standards that cannot be corrected, and into more restrictive and/or costly care. In addition, we make a technical edit to correct a reference to the section addressing requests for a hearing.	2013-12641	<a href="https://www.federalregister.gov/documents/2013/05/29/2013-12641/community-residential-care">https://www.federalregister.gov/documents/2013/05/29/2013-12641/community-residential-care</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-05-29/pdf/2013-12641.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-05-29/pdf/2013-12641.pdf</a>	5/29/2013
Garnishment of Accounts Containing Federal Benefit Payments	Rule	Treasury, SSA, VA, RRB and OPM (Agencies) are adopting as final an interim rule to amend their regulation governing the garnishment of certain Federal benefit payments that are directly deposited to accounts at financial institutions. The rule establishes procedures that financial institutions must follow when they receive a garnishment order against an account holder who receives certain types of Federal benefit payments by direct deposit. The rule requires financial institutions that receive such a garnishment order to determine the sum of such Federal benefit payments deposited to the account during a two month period, and to ensure that the account holder has access to an amount equal to that sum or to the current balance of the account, whichever is lower.	2013-12567	<a href="https://www.federalregister.gov/documents/2013/05/29/2013-12567/garnishment-of-accounts-containing-federal-benefit-payments">https://www.federalregister.gov/documents/2013/05/29/2013-12567/garnishment-of-accounts-containing-federal-benefit-payments</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-05-29/pdf/2013-12567.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-05-29/pdf/2013-12567.pdf</a>	5/29/2013

VA Dental Insurance Program	Rule	The Department of Veterans Affairs (VA) amends its regulations to establish rules and procedures for the VA Dental Insurance Program (VADIP), a pilot program that offers premium-based dental insurance to enrolled veterans and certain survivors and dependents of veterans. Under the pilot program, VA will contract with a private insurer, through the Federal contracting process, to offer dental insurance to eligible individuals. Patient Access to Records	Rule	The Department of Veterans Affairs (VA) amends its regulation governing disclosure of information to veterans and other beneficiaries. The current regulation provides for a special procedure for evaluating sensitive records and determining whether an individual may gain access to his or her own records. The special procedure allows VA to prevent an individual's access to his or her own records if VA determines that such release could have an adverse effect on the physical or mental health of a requesting individual. We have determined that this special procedure is contrary to law, and therefore remove it from the current regulation.	2013-18057	<a href="https://www.federalregister.gov/documents/2013/07/29/2013-18057/patient-access-to-records">https://www.federalregister.gov/documents/2013/07/29/2013-18057/patient-access-to-records</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-07-29/pdf/2013-18057.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-07-29/pdf/2013-18057.pdf</a>	7/29/2013

VA Veteran-Owned Small Business Verification Guidelines	Rule	This document adopts as a final rule, without change, the interim final rule published in the Federal Register on June 27, 2012. This document implements a portion of the Veterans Benefits, Health Care, and Information Technology Act of 2006, which requires the Department of Veterans Affairs (VA) to verify ownership and control of veteran- owned small businesses (VOSBs), including service-disabled veteran- owned small businesses (SDVOSBs), in order for these firms to participate in VA acquisitions set asides for SDVOSB/VOSBs. Specifically, this final rule requires re-verification of SDVOSB/VOSB status only every 2 years rather than annually. The purpose of this change is to reduce the administrative burden on SDVOSB/VOSBs regarding participation in VA acquisitions set asides for these types of firms. Verified SDVOSB/VOSBs are placed on the Vendor Information Page (VIP) at www.vetbiz.gov.	2013-20488	<a href="https://www.federalregister.gov/documents/2013/08/22/2013-20488/va-veteran-owned-small-business-verification-guidelines">https://www.federalregister.gov/documents/2013/08/22/2013-20488/va-veteran-owned-small-business-verification-guidelines</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-08-22/pdf/2013-20488.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-08-22/pdf/2013-20488.pdf</a>	8/22/2013

Copayment for Extended Care Services	Rule	This document promulgates Department of Veterans Affairs (VA) final regulations amending the definition of ``spousal resource protection amount" to reference the Maximum Community Spouse Resource Standard, which is adjusted and published each year by the Centers for Medicare and Medicaid Services (CMS). This change has the immediate effect of increasing the spousal resource protection amount from \$89,280 to \$115,920, and ensures that the spousal resource protection amount will stay consistent with the comparable protection for the spouses of Medicaid recipients.	2013-28436	<a href="https://www.federalregister.gov/documents/2013/11/27/2013-28436/copayment-for-extended-care-services">https://www.federalregister.gov/documents/2013/11/27/2013-28436/copayment-for-extended-care-services</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-11-27/pdf/2013-28436.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-11-27/pdf/2013-28436.pdf</a>	11/27/2013
Criteria for a Catastrophically Disabled Determination for Purposes of Enrollment	Rule	The Department of Veterans Affairs (VA) is amending its regulation concerning the manner in which VA determines that a veteran is catastrophically disabled for purposes of enrollment in priority group 4 for VA health care. As amended by this rulemaking, the regulation articulates the clinical criteria that identify an individual as catastrophically disabled, instead of using the corresponding International Classification of Diseases, Ninth Revision, Clinical Modification (ICD-9-CM) and Current Procedural Terminology (CPT[supreg]) codes. The revisions ensure that the regulation is not out of date when new versions of those codes are published. The revisions also broaden some of the descriptions for a finding of catastrophic disability. Additionally, the final rule does not rely on the Folstein Mini Mental State Examination (MMSE) as a criterion for determining whether a veteran meets the definition of catastrophically disabled, because we have determined that the MMSE is no longer a necessary clinical assessment tool.	2013-28858	<a href="https://www.federalregister.gov/documents/2013/12/03/2013-28858/criteria-for-a-catastrophically-disabled-determination-for-purposes-of-enrollment">https://www.federalregister.gov/documents/2013/12/03/2013-28858/criteria-for-a-catastrophically-disabled-determination-for-purposes-of-enrollment</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-12-03/pdf/2013-28858.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-12-03/pdf/2013-28858.pdf</a>	12/3/2013
Notice of Funds Availability for Grants for Transportation of Veterans in Highly Rural Areas; Extension of Application Deadline	Notice	This notice extends the Department of Veterans Affairs (VA) application deadline for funds available under the Grants for Transportation of Veterans in Highly Rural Areas program. VA published a Notice of Funds Availability (NOFA) in the Federal Register on July 9, 2013 (78 FR 41195) to announce the availability of funds for applications beginning June 9, 2013 through September 9, 2013, 4 p.m. eastern standard time. The NOFA includes eligibility and scoring criteria for grants to assist veterans in highly rural areas through innovative transportation services to travel to VA and non-VA facilities and otherwise assist in providing transportation services in connection with the provision of VA medical care. To allow applicants more time to complete the application process, VA is extending the application deadline to midnight eastern standard time on February 3, 2014.	2013-28859	<a href="https://www.federalregister.gov/documents/2013/12/03/2013-28859/notice-of-funds-availability-for-grants-for-transportation-of-veterans-in-highly-rural-areas">https://www.federalregister.gov/documents/2013/12/03/2013-28859/notice-of-funds-availability-for-grants-for-transportation-of-veterans-in-highly-rural-areas</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-12-03/pdf/2013-28859.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-12-03/pdf/2013-28859.pdf</a>	12/3/2013

Specially Adapted Housing Eligibility for Amyotrophic Lateral Sclerosis Beneficiaries	Rule	The Department of Veterans Affairs (VA) is amending its adjudication regulation regarding specially adapted housing (SAH). The amendment authorizes automatic issuance of a certificate of eligibility for SAH to all veterans and active servicemembers with service- connected amyotrophic lateral sclerosis (ALS) rated totally disabling under the VA Schedule for Rating Disabilities. The intent and effect of this amendment are to establish eligibility for SAH for all persons who have service-connected ALS. VA previously amended its Schedule for Rating Disabilities to assign a 100 percent disability evaluation for any veteran who has service connected ALS based on the recognition that ALS is a rapidly progressive, totally debilitating, and irreversible motor neuron disease that results in muscle weakness leading to a wide range of serious disabilities, including problems with mobility. Because individuals with ALS quickly reach a level of total disability, the change was designed to eliminate the need to repeatedly reevaluate veterans suffering from ALS over a short period of time as symptoms worsen. Based on that same rationale, this amendment addresses the corresponding eligibility for SAH benefits for veterans and servicemembers with service-connected ALS. The overall SAH grant approval and oversight process is complex and lengthy, with many parts beyond VA's control. This rulemaking streamlines one aspect of the process within VA's control, by establishing SAH eligibility for all veterans or servicemembers with service-connected, totally disabling ALS. By shortening the first stage of the SAH process, this regulatory change will assist veterans and servicemembers suffering from ALS in adapting their homes before their condition becomes too	2013-28831	<a href="https://www.federalregister.gov/documents/2013/12/03/2013-28831/specially-adapted-housing-eligibility-for-amyotrophic-lateral-sclerosis-beneficiaries">https://www.federalregister.gov/documents/2013/12/03/2013-28831/specially-adapted-housing-eligibility-for-amyotrophic-lateral-sclerosis-beneficiaries</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-12-03/pdf/2013-28831.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-12-03/pdf/2013-28831.pdf</a>	12/3/2013
Grants to States for Construction or Acquisition of State Homes	Rule	This rule adopts as final, without change, an interim final rule amending the Department of Veterans Affairs (VA) regulations governing prioritization of State applications for VA grants for the construction or acquisition of State home facilities that furnish domiciliary, nursing home, or adult day health care to veterans. As amended, the regulation gives preference to State applications that would use grant funds solely or primarily (under certain circumstances) to remedy cited life or safety deficiencies. This rulemaking also makes certain necessary technical amendments to regulations governing State home grants.	2013-29105	<a href="https://www.federalregister.gov/documents/2013/12/06/2013-29105/grants-to-states-for-construction-or-acquisition-of-state-homes">https://www.federalregister.gov/documents/2013/12/06/2013-29105/grants-to-states-for-construction-or-acquisition-of-state-homes</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-12-06/pdf/2013-29105.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-12-06/pdf/2013-29105.pdf</a>	12/6/2013
Authorization for Non-VA Medical Services	Rule	This Department of Veterans Affairs (VA) rulemaking amends VA's regulations regarding payment by VA for medical services under VA's statutory authority for non-VA medical care. In the Federal Register on November 28, 2012, VA proposed to remove an outdated regulatory limitation on veterans' eligibility to be referred for non- VA medical care. On the same date, VA also published a companion direct final rule that would have made the same amendments effective on January 28, 2013, if no significant adverse comments were received. Because VA received adverse comments on the direct final rule, VA is withdrawing it in a companion document in this issue of the Federal Register. This rulemaking includes VA's responses to comments on the proposed and direct final rules.	2013-29311	<a href="https://www.federalregister.gov/documents/2013/12/16/2013-29311/authorization-for-non-v-a-medical-services">https://www.federalregister.gov/documents/2013/12/16/2013-29311/authorization-for-non-v-a-medical-services</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-12-16/pdf/2013-29311.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-12-16/pdf/2013-29311.pdf</a>	12/16/2013
Authorization for Non-VA Medical Services; Withdrawal	Rule	The Department of Veterans Affairs (VA) published a direct final rule in the Federal Register on November 28, 2012, that would have amended its regulations regarding payment by VA for medical services under VA's statutory authority to provide non-VA medical care. VA sought to remove an outdated regulatory limitation on veterans' eligibility to be referred for non-VA medical care. On the same date, VA also published a companion proposed rule containing the same amendments as the direct final rule. Because VA received adverse comments on this action, we are withdrawing the direct final rule. In a companion document in the Federal Register, VA is publishing a final rule that addresses comments received on the proposed and direct final rules.	2013-29312	<a href="https://www.federalregister.gov/documents/2013/12/16/2013-29312/authorization-for-non-v-a-medical-services-withdrawal">https://www.federalregister.gov/documents/2013/12/16/2013-29312/authorization-for-non-v-a-medical-services-withdrawal</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-12-16/pdf/2013-29312.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-12-16/pdf/2013-29312.pdf</a>	12/16/2013

Reasonable Charges for Medical Care or Services; V3.14, 2014 Calendar Year Update and National Average Administrative Prescription Drug Charge Update	Notice	This Department of Veterans Affairs (VA) notice informs the public of the updated data for calculating the ``Reasonable Charges" collected or recovered by VA for medical care or services and the updated ``National Average Administrative Costs" for purposes of calculating VA's charges for prescription drugs that were not administered during treatment but provided or furnished by VA to a veteran for: (1) A nonservice-connected disability for which the veteran is entitled to care or the payment of expenses for care under a health plan contract; (2) a nonservice-connected disability incurred incident to the veteran's employment and covered under a worker's compensation law or plan that provides reimbursement or indemnification for such care and services; or (3) a nonservice-connected disability incurred as a result of a motor vehicle accident in a state that requires automobile accident reparations insurance. Secondary Service Connection for Diagnosable Illnesses Associated With Traumatic Brain Injury	Rule	The Department of Veterans Affairs (VA) amends its adjudication regulations concerning service connection. This final rule acts upon a report of the National Academy of Sciences, Institute of Medicine (IOM), Gulf War and Health, Volume 7: Long-Term Consequences of Traumatic Brain Injury, regarding the association between traumatic brain injury (TBI) and five diagnosable illnesses. This amendment establishes that if a veteran who has a service-connected TBI also has one of these diagnosable illnesses, then that illness will be considered service connected as secondary to the TBI.	2013-29911	<a href="https://www.federalregister.gov/documents/2013/12/17/2013-29911/secondary-service-connection-for-diagnosable-illnesses-associated-with-traumatic-brain-injury">https://www.federalregister.gov/documents/2013/12/17/2013-29911/secondary-service-connection-for-diagnosable-illnesses-associated-with-traumatic-brain-injury</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-12-17/pdf/2013-29911.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-12-17/pdf/2013-29911.pdf</a>	12/17/2013
Allowance for Private Purchase of an Outer Burial Receptacle in Lieu of a Government-Furnished Graveliner for a Grave in a VA National Cemetery	Notice	Public Law 104-275 was enacted on October 9, 1996. It allows the Department of Veterans Affairs (VA) to provide a monetary allowance towards the private purchase of an outer burial receptacle for use in a VA national cemetery. Under VA regulation (38 CFR 38.629), the allowance is equal to the average cost of Government-furnished graveliners less any administrative costs to VA. The law provides a veteran's survivors with the option of selecting a Government-furnished graveliner for use in a VA national cemetery where such use is authorized. The purpose of this Notice is to notify interested parties of the average cost of Government-furnished graveliners, administrative costs that relate to processing and paying the allowance and the amount of the allowance payable for qualifying interments that occur during calendar year 2014.	2013-29971	<a href="https://www.federalregister.gov/documents/2013/12/18/2013-29971/allowance-for-private-purchase-of-an-outer-burial-receptacle-in-lieu-of-a-government-furnished">https://www.federalregister.gov/documents/2013/12/18/2013-29971/allowance-for-private-purchase-of-an-outer-burial-receptacle-in-lieu-of-a-government-furnished</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-12-18/pdf/2013-29971.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-12-18/pdf/2013-29971.pdf</a>	12/18/2013
Duty Periods for Establishing Eligibility for Health Care	Rule	The Department of Veterans Affairs (VA) is amending its medical regulations concerning eligibility for health care to re- establish the definitions of ``active military, naval, or air service," ``active duty," and ``active duty for training." These definitions were deleted in 1996; however, we believe that all duty periods should be defined in part 17 of the Code of Federal Regulations (CFR) to ensure proper determination of eligibility for VA health care. We are also providing a more complete definition of ``inactive duty training."	2013-30775	<a href="https://www.federalregister.gov/documents/2013/12/26/2013-30775/duty-periods-for-establishing-eligibility-for-health-care">https://www.federalregister.gov/documents/2013/12/26/2013-30775/duty-periods-for-establishing-eligibility-for-health-care</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-12-26/pdf/2013-30775.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-12-26/pdf/2013-30775.pdf</a>	12/26/2013
Copayments for Medications in 2014	Rule	The Department of Veterans Affairs (VA) amends its medical regulations concerning the copayment required for certain medications. But for this rulemaking, beginning on January 1, 2014, the copayment amount would increase based on a formula set forth in regulation. The maximum annual copayment amount payable by veterans would also increase. This rulemaking freezes copayments at the current rate for 2014 for veterans in priority categories 2 through 8, and thereafter resumes increasing copayments in accordance with the regulatory formula.	2013-31102	<a href="https://www.federalregister.gov/documents/2013/12/30/2013-31102/copayments-for-medications-in-2014">https://www.federalregister.gov/documents/2013/12/30/2013-31102/copayments-for-medications-in-2014</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2013-12-30/pdf/2013-31102.pdf">https://www.gpo.gov/fdsys/pkg/FR-2013-12-30/pdf/2013-31102.pdf</a>	12/30/2013
Discontinuance of Annual Financial Assessments-Delay in Implementation	Notice	The Department of Veterans Affairs (VA) published a Notice in the Federal Register on October 25, 2013 (78 FR 64065) announcing that we intended to change financial reporting practices requiring annual financial assessments from veterans enrolled in the VA health care system. Community Residential Care	Rule	This rule adopts as final, without change, an interim final rule amending the Department of Veterans Affairs (VA) regulations concerning approval of non-VA community residential care (CRC) facilities to allow VA to waive such facilities' compliance with standards that do not jeopardize the health or safety of residents. As amended, the regulation allows VA to grant a waiver of a CRC standard in those limited circumstances where the deficiency cannot be corrected to meet a standard provided for in VA regulation. Removal of Penalty for Breaking Appointments	Rule	The Department of Veterans Affairs (VA) amends its regulations to remove an outdated regulation that stated that a veteran who misses two medical appointments without providing 24 hours' notice and a reasonable excuse is deemed to have refused VA medical care. Gulf War Veterans' Illnesses Task Force Report	Notice	The Secretary of Veterans Affairs (VA) established the Gulf War Veterans' Illnesses Task Force (GWVI-TF) in August 2009 to focus on full spectrum health care and benefits issues faced by Veterans of the 1990-1991 Gulf War (Operations Desert Shield and Desert Storm). The GWVI-TF published its first annual report in September 2010. The GWVI-TF posted a draft of its 2012-13 report for public comment on May 14, 2013. VA published the report in the Federal Register (78 FR 28292) and posted it on a social media Web site created specifically to elicit responses on the report. VA collected comments through both venues. During the thirty day comment period, VA received 41 comments submitted through the Federal Register venue and over 180 comments through the social media Web site. VA sincerely thanks all those who took the time to submit comments. VA has completed its 2012-13 Gulf War Veterans' Illnesses Task Force Report. The GWVI-TF reviewed all the comments submitted, and addressed in this report those comments that were directly responsive to the draft report. Comments specifically addressed in this report are annotated accordingly. The comments that were not directly responsive to the draft report will serve as guidance for the VA to consider as it moves forward. Finally, there were a number of individual requests for assistance. Those that contained sufficient specific information were referred to appropriate VA offices for action. Those that were not specific enough or were anonymously submitted will serve as background for consideration on areas for the VA to study in the future.	2014-04476	<a href="https://www.federalregister.gov/documents/2014/02/28/2014-04476/gulf-war-veterans-illnesses-task-force-report">https://www.federalregister.gov/documents/2014/02/28/2014-04476/gulf-war-veterans-illnesses-task-force-report</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-02-28/pdf/2014-04476.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-02-28/pdf/2014-04476.pdf</a>	2/28/2014

The NOFA includes eligibility and scoring criteria for grants to assist veterans in highly rural areas through innovative transportation services to travel to VA and non-VA facilities and otherwise assist in providing transportation services in connection with the provision of VA medical care. Determinations Concerning Illnesses Discussed in National Academy of Sciences Report: Veterans and Agent Orange: Update 2012	Notice	As required by law, the Department of Veterans Affairs (VA) hereby gives notice that the Secretary of Veterans Affairs, under the authority granted by the Agent Orange Act of 1991, codified at 38 U.S.C. 1116, has determined that there is no basis to establish a presumption of service connection at this time, based on exposure to herbicide agents, including the substance commonly known as Agent Orange, for several health effects discussed in the December 4, 2013, National Academy of Sciences (NAS) report titled: Veterans and Agent Orange: Update 2012 (hereinafter, "Update 2012"). This determination does not in any way preclude VA from granting service connection for any disease, including those specifically discussed in this notice, nor does it change any existing rights or procedures.	2014-07950	<a href="https://www.federalregister.gov/documents/2014/04/11/2014-07950/determinations-concerning-illnesses-discussed-in-national-academy-of-sciences-report-veterans-and">https://www.federalregister.gov/documents/2014/04/11/2014-07950/determinations-concerning-illnesses-discussed-in-national-academy-of-sciences-report-veterans-and</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-04-11/pdf/2014-07950.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-04-11/pdf/2014-07950.pdf</a>	4/11/2014
Loan Guaranty: Ability-To-Repay Standards and Qualified Mortgage Definition Under the Truth in Lending Act	Rule	This document amends the Department of Veterans Affairs (VA) Loan Guaranty regulations to implement provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act, requiring that VA define the types of VA loans that are "qualified mortgages" for the purposes of the new Ability to Repay provisions of the Truth in Lending Act. This rule establishes which VA-guaranteed loans are to be considered "qualified mortgages" and have either safe harbor protection or the presumption that the borrower is able to repay a loan, in accordance with the new Ability to Repay provisions. The rule does not change VA's regulations or policies with respect to how lenders are to originate mortgages, except to the extent lenders want to make qualified mortgages.	2014-10600	<a href="https://www.federalregister.gov/documents/2014/05/09/2014-10600/loan-guaranty-ability-to-repay-standards-and-qualified-mortgage-definition-under-the-truth-in">https://www.federalregister.gov/documents/2014/05/09/2014-10600/loan-guaranty-ability-to-repay-standards-and-qualified-mortgage-definition-under-the-truth-in</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-05-09/pdf/2014-10600.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-05-09/pdf/2014-10600.pdf</a>	5/9/2014

Notice of Intent To Prepare an Integrated Environmental Impact Statement for the Department of Veterans Affairs, Black Hills Health Care System Proposed Improvements and Reconfiguration, Hot Springs and Rapid City, South Dakota	Notice	Pursuant to the National Environmental Policy Act (NEPA) of 1969 (42 U.S.C. 4331 et seq.); the Council on Environmental Quality Regulations for Implementing the Procedural Provisions of NEPA (40 CFR Parts 1500-1508); VA's NEPA Implementing Guidance (38 CFR Part 26); Section 106 of the National Historic Preservation Act (NHPA) of 1966 (16 U.S.C. Part 470F); and the Advisory Council on Historic Preservation Procedures for the Protection of Historic Properties (36 CFR Part 800 et seq.), VA intends to prepare an integrated environmental impact statement (EIS) for the proposed improvements to and reconfiguration of the VA Black Hills Health Care System (VA BHHCS) services in the Hot Springs and Rapid City, South Dakota, vicinities. The proposed action would involve reconfiguring existing services and expanding points of access to health care within the VA BHHCS service area to better serve the health care needs and distribution of Veterans in the VA BHHCS service area over the next 20 to 30 years. That area includes parts of South Dakota, northwestern Nebraska, and eastern Wyoming. The effects and impacts to be addressed will include those identified in 40 CFR 1508.8; i.e., ecological, aesthetic, historic, cultural, economic, social, and health, whether direct, indirect, or cumulative. Both beneficial and detrimental effects of the proposed action will be identified as well. As part of the scoping process, VA seeks public input on the relative importance of these and other areas of environmental concern, and suggestions regarding additional environmental impacts that should be evaluated.	2014-11316	<a href="https://www.federalregister.gov/documents/2014/05/16/2014-11316/notice-of-intent-to-prepare-an-integrated-environmental-impact-statement-for-the-department-of">https://www.federalregister.gov/documents/2014/05/16/2014-11316/notice-of-intent-to-prepare-an-integrated-environmental-impact-statement-for-the-department-of</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-05-16/pdf/2014-11316.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-05-16/pdf/2014-11316.pdf</a>	5/16/2014
Copayments for Medications in 2014	Rule	This document adopts as a final rule, without change, an interim final rule amending the Department of Veterans Affairs (VA) medical regulations to freeze the copayments required for certain medications provided by VA until December 31, 2014. Under that rule, the copayment amounts for all veterans were maintained at the same rates as they were in 2013, which were \$8 for veterans in priority groups 2-6 and \$9 for veterans in priority groups 7 and 8. On January 1, 2015, the copayment amounts may increase based on the prescription drug component of the Medical Consumer Price Index (CPI-P).	2014-12092	<a href="https://www.federalregister.gov/documents/2014/05/27/2014-12092/copayments-for-medications-in-2014">https://www.federalregister.gov/documents/2014/05/27/2014-12092/copayments-for-medications-in-2014</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-05-27/pdf/2014-12092.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-05-27/pdf/2014-12092.pdf</a>	5/27/2014
Burial Benefits	Rule	The Department of Veterans Affairs (VA) is amending its regulations governing entitlement to monetary burial benefits, which include burial allowances for service-connected and non-service-connected deaths, a plot or interment allowance, and reimbursement of transportation expenses. As amended, the regulations establish rules to support VA's automated payment of burial allowances to surviving spouses, conversion to flat-rate burial and plot or interment allowances that are equal to the maximum benefit authorized by law, and priority of payment to non-spouse survivors. The purpose of these regulations is to streamline the program and make it easier for veterans and their families to receive the right benefits and meet their expectations for quality, timeliness, and responsiveness.	2014-13230	<a href="https://www.federalregister.gov/documents/2014/06/06/2014-13230/burial-benefits">https://www.federalregister.gov/documents/2014/06/06/2014-13230/burial-benefits</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-06-06/pdf/2014-13230.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-06-06/pdf/2014-13230.pdf</a>	6/6/2014

Grants for Adaptive Sports Programs for Disabled Veterans and Disabled Members of the Armed Forces	Rule	This interim final rule amends Department of Veterans Affairs (VA) regulations to establish a new program to provide grants to eligible entities to provide adaptive sports activities to disabled veterans and disabled members of the Armed Forces. This rulemaking is necessary to implement a change in the law that authorizes VA to make grants to entities other than the United States Olympic Committee for adaptive sports programs. It establishes procedures for evaluating grant applications under this grant program, and otherwise administering the grant program. This rule implements section 5 of the VA Expiring Authorities Extension Act of 2013.	2014-15191	<a href="https://www.federalregister.gov/documents/2014/07/01/2014-15191/grants-for-adaptive-sports-programs-for-disabled-veterans-and-disabled-members-of-the-armed-forces">https://www.federalregister.gov/documents/2014/07/01/2014-15191/grants-for-adaptive-sports-programs-for-disabled-veterans-and-disabled-members-of-the-armed-forces</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-07-01/pdf/2014-15191.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-07-01/pdf/2014-15191.pdf</a>	7/1/2014
Servicemembers' Group Life Insurance-Veterans' Group Life Insurance Regulation Update-ABO, VGLI Application, SGLI 2 Year Disability Extension	Rule	This document amends the Department of Veterans Affairs (VA) insurance regulations concerning Servicemembers' Group Life Insurance (SGLI) to reflect the statutory provisions of the Veterans' Benefits Act of 2010, which became law on October 13, 2010, and resulted in the need for amendments to change the SGLI Disability Extension period from 1 year to 2 years in duration; provide SGLI Traumatic Injury Protection (TSGLI) retroactive coverage effective from October 7, 2001, for all qualifying injuries regardless of the geographic location and military operation in which the injuries were incurred; and remove the SGLI and Veterans' Group Life Insurance (VGLI) Accelerated Benefits Option (ABO) discount rate. This rule also clarifies that "initial premium" refers to "initial Veterans' Group Life Insurance premium," updates the current address of the Office of Servicemembers' Group Life Insurance (OSGLI), managed by Prudential Insurance Company of America, to reflect where the ABO application is mailed for processing, and corrects the OSGLI phone number. Finally, this rule removes the ABO application form from the regulation, and it corrects and clarifies language concerning the VGLI application period that was inadvertently incorrectly modified in a prior amendment of the regulations.	2014-17900	<a href="https://www.federalregister.gov/documents/2014/07/31/2014-17900/servicemembers-group-life-insurance-veterans-group-life-insurance-regulation-update-abo-vgli">https://www.federalregister.gov/documents/2014/07/31/2014-17900/servicemembers-group-life-insurance-veterans-group-life-insurance-regulation-update-abo-vgli</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-07-31/pdf/2014-17900.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-07-31/pdf/2014-17900.pdf</a>	7/31/2014

Schedule for Rating Disabilities-Mental Disorders and Definition of Psychosis for Certain VA Purposes	Rule	The Department of Veterans Affairs (VA) is amending the portion of its Schedule for Rating Disabilities (VASRD) dealing with mental disorders and its adjudication regulations that define the term "psychosis." The VASRD refers to the Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition (DSM-IV), and VA's adjudication regulations refer to the Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition Text Revision (DSM-IV-TR). DSM-IV and DSM-IV-TR were recently updated by issuance of the Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM-5). This rulemaking will remove outdated DSM references by deleting references to DSM-IV and DSM-IV-TR and replacing them with references to DSM-5. Additionally, this rulemaking will update the nomenclature used to refer to certain mental disorders to conform to DSM-5.	2014-18150	<a href="https://www.federalregister.gov/documents/2014/08/04/2014-18150/schedule-for-rating-disabilities-mental-disorders-and-definition-of-psychosis-for-certain-va">https://www.federalregister.gov/documents/2014/08/04/2014-18150/schedule-for-rating-disabilities-mental-disorders-and-definition-of-psychosis-for-certain-va</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-08-04/pdf/2014-18150.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-08-04/pdf/2014-18150.pdf</a>	8/4/2014

Hospital Care and Medical Services for Camp Lejeune Veterans	Rule	This document amends Department of Veterans Affairs (VA) regulations in order to implement a statutory mandate that VA provide health care to certain veterans who served at Camp Lejeune, North Carolina, for at least 30 days during the period beginning on January 1, 1957, and ending on December 31, 1987. The law requires VA to furnish hospital care and medical services for these veterans for certain illnesses and conditions that may be attributed to exposure to toxins in the water system at Camp Lejeune. This rule does not implement the statutory provision requiring VA to provide health care to these veterans' family members; regulations applicable to such family members will be promulgated through a separate notice.	2014-22637	<a href="https://www.federalregister.gov/documents/2014/09/24/2014-22637/hospital-care-and-medical-services-for-camp-lejeune-veterans">https://www.federalregister.gov/documents/2014/09/24/2014-22637/hospital-care-and-medical-services-for-camp-lejeune-veterans</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-09-24/pdf/2014-22637.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-09-24/pdf/2014-22637.pdf</a>	9/24/2014
Payment or Reimbursement for Certain Medical Expenses for Camp Lejeune Family Members	Rule	The Department of Veterans Affairs (VA) is promulgating regulations to implement statutory authority to provide payment or reimbursement for hospital care and medical services provided to certain veterans' family members who resided at Camp Lejeune, North Carolina, for at least 30 days during the period beginning on January 1, 1957, and ending on December 31, 1987. Under this rule, VA will reimburse family members, or pay providers, for medical expenses incurred as a result of certain illnesses and conditions that may be attributed to exposure to contaminated drinking water at Camp Lejeune during this time period. Payment or reimbursement will be made within the limitations set forth in statute and Camp Lejeune family members will receive hospital care and medical services that are consistent with the manner in which we provide hospital care and medical services to Camp Lejeune veterans.	2014-22635	<a href="https://www.federalregister.gov/documents/2014/09/24/2014-22635/payment-or-reimbursement-for-certain-medical-expenses-for-camp-lejeune-family-members">https://www.federalregister.gov/documents/2014/09/24/2014-22635/payment-or-reimbursement-for-certain-medical-expenses-for-camp-lejeune-family-members</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-09-24/pdf/2014-22635.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-09-24/pdf/2014-22635.pdf</a>	9/24/2014

Standard Claims and Appeals Forms	Rule	The Department of Veterans Affairs (VA) amends its adjudication regulations and the appeals regulations and rules of practice of the Board of Veterans' Appeals (Board) to require that all claims governed by VA's adjudication regulations be filed on standard forms prescribed by the Secretary, regardless of the type of claim or posture in which the claim arises. This rulemaking also eliminates the constructive receipt of VA reports of hospitalization or examination and other medical records as informal claims for increase or to reopen while retaining the retroactive effective date assignment for awards for claims for increase which are filed on a standard form within 1 year of such hospitalization, examination, or treatment. This final rule also implements the concept of an intent to file a claim for benefits, which operates similarly to the current informal claim process, but requires that the submission establishing a claimant's effective date of benefits must be received in one of three specified formats. Finally, these amendments will provide that VA will accept an expression of dissatisfaction or disagreement with an adjudicative determination by the agency of original jurisdiction(AOJ) as a Notice of Disagreement (NOD) only if it is submitted on a standardized form provided by VA for the purpose of appealing the decision, in cases where such a form is provided. Although a standardized NOD form will only initially be provided in connection with decisions on compensation claims, VA may require a standard NOD form for any type of claim for VA benefits if, in the future, it develops and provides a standardized NOD form for a particular benefit. The purpose of these amendments is to improve the quality and timeliness of the processing of	2014-22633	<a href="https://www.federalregister.gov/documents/2014/09/25/2014-22633/standard-claims-and-appeals-forms">https://www.federalregister.gov/documents/2014/09/25/2014-22633/standard-claims-and-appeals-forms</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-09-25/pdf/2014-22633.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-09-25/pdf/2014-22633.pdf</a>	9/25/2014

Wait-Time Goals of the Department for the Veterans Choice Program	Notice	The Veterans Access, Choice, and Accountability Act of 2014 directs the Department of Veterans Affairs (VA) to establish a program (the ``Veterans Choice Program") to furnish hospital care and medical services through non-VA health care entities and providers to Veterans who either cannot be seen within the ``wait-time goals of the Veterans Health Administration" or who qualify based on their place of residence. The statute defines the goals as being ``not more than 30 days from the date on which a veteran requests an appointment for hospital care or medical services from the Department" but also permits VA to establish another standard by submitting to Congress a report stating that VA's actual goals are different. This Federal Register Notice announces VA's report on the wait-time goals for purposes of the Veterans Choice Program.	2014-24897	<a href="https://www.federalregister.gov/documents/2014/10/17/2014-24897/wait-time-goals-of-the-department-for-the-veterans-choice-program">https://www.federalregister.gov/documents/2014/10/17/2014-24897/wait-time-goals-of-the-department-for-the-veterans-choice-program</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-10-17/pdf/2014-24897.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-10-17/pdf/2014-24897.pdf</a>	10/17/2014

But for this rulemaking, beginning on January 1, 2015, the copayment amount would increase based on a formula set forth in regulation. The maximum annual copayment amount payable by veterans would also increase. This rulemaking freezes copayments for 2015 at the current rate for veterans in priority categories 2 through 8, and thereafter resumes increasing copayments in accordance with the regulatory formula.	2014-25454	<a href="https://www.federalregister.gov/documents/2014/10/27/2014-25454/copayments-for-medications-in-2015">https://www.federalregister.gov/documents/2014/10/27/2014-25454/copayments-for-medications-in-2015</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-10-27/pdf/2014-25454.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-10-27/pdf/2014-25454.pdf</a>	10/27/2014

The Veterans Access, Choice, and Accountability Act of 2014 directs VA to establish a program to furnish hospital care and medical services through non-VA health care providers to veterans who either cannot be seen within the wait-time goals of the Veterans Health Administration or who qualify based on their place of residence (hereafter referred to as the Veterans Choice Program, or the ``Program"). The law also requires VA to publish an interim final rule establishing this program. Wait-Time Goals of the Department for the Veterans Choice Program	Notice	In an interim final rule published by the Department of Veterans Affairs (VA) implementing the Veterans Choice Program ("the Program") authorized by the Veterans Access, Choice, and Accountability Act of 2014, VA established start dates for participation in the Program for different groups of veterans depending upon their basis of eligibility to participate in the Program. In those regulations, VA stated that veterans who are eligible based upon being unable to schedule an appointment within the wait-time goals of the Veterans Health Administration, will be able to start receiving hospital care and medical services under the Program no later than December 5, 2014. VA also stated that if the start date for these veterans would be sooner than December 5, 2014, VA would publish a notice in the Federal Register advising the public of the faster implementation schedule. This Notice announces that November 17, 2014, is the start date for veterans eligible to participate in the Program.	2014-27581	<a href="https://www.federalregister.gov/documents/2014/11/21/2014-27581/wait-time-goals-of-the-department-for-the-veterans-choice-program">https://www.federalregister.gov/documents/2014/11/21/2014-27581/wait-time-goals-of-the-department-for-the-veterans-choice-program</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-11-21/pdf/2014-27581.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-11-21/pdf/2014-27581.pdf</a>	11/21/2014

Exempting Mental Health Peer Support Services From Copayments	Rule	The Department of Veterans Affairs (VA) is taking final action to amend its regulation that sets forth the VA services that are not subject to copayment requirements for inpatient hospital care or outpatient medical care. Specifically, the regulation is amended to exempt mental health peer support services from having any required copayment. This removes a barrier that may have previously discouraged veterans from choosing to use mental health peer support services as a viable care option. VA believes that mental health peer support services are a valuable resource for veterans with mental health conditions and wants to ensure that veterans take full advantage of all resources available to them.	2014-27231	<a href="https://www.federalregister.gov/documents/2014/11/28/2014-27231/exempting-mental-health-peer-support-services-from-copayments">https://www.federalregister.gov/documents/2014/11/28/2014-27231/exempting-mental-health-peer-support-services-from-copayments</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-11-28/pdf/2014-27231.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-11-28/pdf/2014-27231.pdf</a>	11/28/2014

Federal Awarding Agency Regulatory Implementation of Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards	Rule	This joint interim final rule implements for all Federal award-making agencies the final guidance Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) published by the Office of Management and Budget (OMB) on December 26, 2013. This rule is necessary in order to incorporate into regulation and thus bring into effect the Uniform Guidance as required by OMB. Implementation of this guidance will reduce administrative burden and risk of waste, fraud, and abuse for the approximately \$600 billion per year awarded in Federal financial assistance. The result will be more Federal dollars reprogrammed to support the mission, new entities able to compete and win awards, and ultimately a stronger framework to provide key services to American citizens and support the basic research that underpins the United States economy.	2014-28697	<a href="https://www.federalregister.gov/documents/2014/12/19/2014-28697/federal-awarding-agency-regulatory-implementation-of-office-of-management-and-budgets-uniform">https://www.federalregister.gov/documents/2014/12/19/2014-28697/federal-awarding-agency-regulatory-implementation-of-office-of-management-and-budgets-uniform</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2014-12-19/pdf/2014-28697.pdf">https://www.gpo.gov/fdsys/pkg/FR-2014-12-19/pdf/2014-28697.pdf</a>	12/19/2014

Caregivers Program	Rule	The Department of Veterans Affairs (VA) adopts, with changes, the interim final rule concerning VA's Program of Comprehensive Assistance for Family Caregivers. VA administers this program to provide certain medical, travel, training, and financial benefits to caregivers of certain veterans and servicemembers who were seriously injured during service on or after September 11, 2001. Also addressed in this rulemaking is the Program of General Caregiver Support Services that provides support services to caregivers of veterans from all eras who are enrolled in the VA health care system. Specifically, changes in this final rule include a requirement that Veterans be notified in writing should a Family Caregiver request revocation (to no longer be a Family Caregiver), an extension of the application timeframe from 30 days to 45 days for a Family Caregiver, and a change in the stipend calculation to ensure that Primary Family Caregivers do not experience unexpected decreases in stipend amounts from year to year.	2015-00071	<a href="https://www.federalregister.gov/documents/2015/01/09/2015-00071/caregivers-program">https://www.federalregister.gov/documents/2015/01/09/2015-00071/caregivers-program</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-01-09/pdf/2015-00071.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-01-09/pdf/2015-00071.pdf</a>	1/9/2015

Department of Veterans Affairs Acquisition Regulation: Service-Disabled Veteran-Owned and Veteran-Owned Small Business Status Protests	Rule	This document adopts as a final rule, without change, the interim final rule published in the Federal Register on September 30, 2013. This document implements a portion of the Veterans Benefits, Health Care, and Information Technology Act of 2006, which requires the Department of Veterans Affairs (VA) to verify ownership and control of Veteran-owned small businesses (VOSBs), including service-disabled Veteran-owned small businesses (SDVOSBs), in order for these firms to participate in VA acquisitions set asides for SDVOSB/VOSBs. Specifically, VA amends its adjudication procedures for SDVOSB and VOSB status protests, to provide that VA's Director, Center for Verification and Evaluation (CVE), shall initially adjudicate SDVOSB and VOSB status protests, and to provide that protested businesses, if they are denied status, may appeal to VA's Executive Director, Office of Small and Disadvantaged Business Utilization (OSDBU). SDVOSB/VOSB status protests occur when during a particular SDVOSB/VOSB set aside acquisition, a competing vendor in acquisition challenges the status of the putative awardee as an actual SDVOSB or VOSB, as applicable. Additionally, VA amends the title of CVE from the Center for Veterans Enterprise to the Center for Verification and Evaluation, to more appropriately represent the function of this office.	2015-05505	<a href="https://www.federalregister.gov/documents/2015/03/10/2015-05505/departement-of-veterans-affairs-acquisition-regulation-service-disabled-veteran-owned-and">https://www.federalregister.gov/documents/2015/03/10/2015-05505/departement-of-veterans-affairs-acquisition-regulation-service-disabled-veteran-owned-and</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-03-10/pdf/2015-05505.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-03-10/pdf/2015-05505.pdf</a>	3/10/2015

Funding Availability Under Supportive Services for Veteran Families Program	Notice	This amendment to the February 3, 2015 NOFA allows grantees with existing 3-year, non-renewable awards to apply for funding (these grants were previously awarded to priority 1 applicants under a Supportive Services for Veterans Families (SSVF) NOFA published on January 10, 2014). Under the current February 3, 2015 NOFA, VA is offering up to \$300 million to current SSVF grantees seeking funding for their existing, renewable grants. This amendment will expand the pool of potential applicants to include current SSVF grantees with 3- year, non-renewable grants. The overall level of funding available through the amended NOFA remains at \$300 million. Increasing the rate of placement of homeless Veteran households may be accomplished by accelerating SSVF program implementation by funded grantees. VA seeks to encourage such activity and recognizes that one method of enhancing placement activity is to shorten grant terms from 3 years to 2 years, utilizing the grantee's total 3-year award in a shorter, 2-year period. Driving Distance Eligibility for the Veterans Choice Program	Rule	The Department of Veterans Affairs (VA) amends its medical regulations implementing section 101 of the Veterans Access, Choice, and Accountability Act of 2014, which directed VA to establish a program to furnish hospital care and medical services through eligible non-VA health care providers to eligible veterans who either cannot be seen within the wait-time goals of the Veterans Health Administration or who qualify based on their place of residence (hereafter referred to as the Veterans Choice Program, or the ``Program"). VA published an interim final rule implementing the Veterans Choice Program on November 5, 2014. Under current law, VA uses a straight-line or geodesic distance to determine eligibility based on place of residence. This interim final rule modifies how VA measures the distance from a veteran's residence to the nearest VA medical facility. This modified standard will consider the distance the veteran must drive to the nearest VA medical facility, rather than the straight-line or geodesic distance to such a facility.	2015-09370	<a href="https://www.federalregister.gov/documents/2015/04/24/2015-09370/driving-distance-eligibility-for-the-veterans-choice-program">https://www.federalregister.gov/documents/2015/04/24/2015-09370/driving-distance-eligibility-for-the-veterans-choice-program</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-04-24/pdf/2015-09370.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-04-24/pdf/2015-09370.pdf</a>	4/24/2015
Updating Certain Delegations of Authority in VA Medical Regulations	Rule	The Department of Veterans Affairs (VA) is making technical amendments to its medical regulations by updating certain delegations of authority to be consistent with the statutory authority that established the Consolidated Patient Account Centers (CPACs). VA is, through this final rule, specifying delegations of authority for the collection of debts owed VA to the Chief Financial Officers of the CPACs.	2015-09633	<a href="https://www.federalregister.gov/documents/2015/04/27/2015-09633/updating-certain-delegations-of-authority-in-va-medical-regulations">https://www.federalregister.gov/documents/2015/04/27/2015-09633/updating-certain-delegations-of-authority-in-va-medical-regulations</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-04-27/pdf/2015-09633.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-04-27/pdf/2015-09633.pdf</a>	4/27/2015
Health Care for Homeless Veterans Program	Rule	The Department of Veterans Affairs (VA) amends its medical regulations concerning eligibility for the Health Care for Homeless Veterans (HCHV) program. The HCHV program provides per diem payments to non-VA community-based facilities that provide housing, outreach services, case management services, and rehabilitative services, and may provide care and/or treatment to homeless veterans who are enrolled in or eligible for VA health care. The rule modifies VA's HCHV regulations to conform to changes enacted in the Honoring America's Veterans and Caring for Camp Lejeune Families Act of 2012. Specifically, the rule removes the requirement that homeless veterans be diagnosed with a serious mental illness or substance use disorder to qualify for the HCHV program. This change makes the program available to all homeless veterans who are enrolled in or eligible for VA health care. The rule also updates the definition of homeless to match in part the one used by the Department of Housing and Urban Development (HUD). The rule further clarifies that the services provided by the HCHV program through non-VA community-based providers must include case management services, including non-clinical case management, as appropriate.	2015-10150	<a href="https://www.federalregister.gov/documents/2015/05/01/2015-10150/health-care-for-homeless-veterans-program">https://www.federalregister.gov/documents/2015/05/01/2015-10150/health-care-for-homeless-veterans-program</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-05-01/pdf/2015-10150.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-05-01/pdf/2015-10150.pdf</a>	5/1/2015
Grants for Adaptive Sports Programs for Disabled Veterans and Disabled Members of the Armed Forces	Rule	This final rule amends Department of Veterans Affairs (VA) regulations to establish a new program to provide grants to eligible entities to provide adaptive sports activities to disabled veterans and disabled members of the Armed Forces. This rulemaking is necessary to implement a change in the law that authorizes VA to make grants to entities other than the United States Olympic Committee for adaptive sports programs. It establishes procedures for evaluating grant applications under this grant program, and otherwise administering the grant program. This rule implements section 5 of the VA Expiring Authorities Extension Act of 2013.	2015-10358	<a href="https://www.federalregister.gov/documents/2015/05/04/2015-10358/grants-for-adaptive-sports-programs-for-disabled-veterans-and-disabled-members-of-the-armed-forces">https://www.federalregister.gov/documents/2015/05/04/2015-10358/grants-for-adaptive-sports-programs-for-disabled-veterans-and-disabled-members-of-the-armed-forces</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-05-04/pdf/2015-10358.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-05-04/pdf/2015-10358.pdf</a>	5/4/2015

Loan Guaranty: Elimination of Redundant Regulations; Technical Correction	Rule	On June 15, 2010, the Department of Veterans Affairs (VA) published a document in the Federal Register (75 FR 33704), amending its loan guaranty regulations to eliminate redundancies in the regulations that were a result of a new electronic reporting system. At that time, we failed to update the cross-reference citations within the redesignated sections. On October 22, 2010 (75 FR 65238), Sections 36.4301 through 36.4323(e) were amended to replace the incorrect cross-reference citations with the accurate, updated cross-references. This document corrects the remaining redesignated sections (Sec. 36.4324 through Sec. 36.4393) to contain the correct and updated cross-reference citations. These nonsubstantive changes are made for clarity and accuracy.	2015-13456	<a href="https://www.federalregister.gov/documents/2015/06/16/2015-13456/loan-guaranty-elimination-of-redundant-regulations-technical-correction">https://www.federalregister.gov/documents/2015/06/16/2015-13456/loan-guaranty-elimination-of-redundant-regulations-technical-correction</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-06-16/pdf/2015-13456.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-06-16/pdf/2015-13456.pdf</a>	6/16/2015

Presumption of Herbicide Exposure and Presumption of Disability During Service for Reservists Presumed Exposed to Herbicide	Rule	The Department of Veterans Affairs (VA) is amending its regulation governing individuals presumed to have been exposed to certain herbicides. Specifically, VA is expanding the regulation to include an additional group consisting of individuals who performed service in the Air Force or Air Force Reserve under circumstances in which they had regular and repeated contact with C-123 aircraft known to have been used to spray an herbicide agent (``Agent Orange") during the Vietnam era. In addition, the regulation will establish a presumption that members of this group who later develop an Agent Orange presumptive condition were disabled during the relevant period of service, thus establishing that this service constituted ``active, naval, military or air service." The effect of this action is to presume herbicide exposure for these individuals and to allow individuals who were exposed to herbicides during reserve service to establish veteran status for VA purposes and eligibility for some VA benefits. The need for this action results from a recent decision by the Secretary of Veterans Affairs to acknowledge that individuals who had regular and repeated exposure to C-123 aircraft that the United States Air Force used to spray the herbicides in Vietnam during Operation Ranch Hand were exposed to Agent Orange.	2015-14995	<a href="https://www.federalregister.gov/documents/2015/06/19/2015-14995/presumption-of-herbicide-exposure-and-presumption-of-disability-during-service-for-reservists">https://www.federalregister.gov/documents/2015/06/19/2015-14995/presumption-of-herbicide-exposure-and-presumption-of-disability-during-service-for-reservists</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-06-19/pdf/2015-14995.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-06-19/pdf/2015-14995.pdf</a>	6/19/2015

Agency Interpretation of Prosthetic Replacement of a Joint	Rule	The Department of Veterans Affairs is publishing interpretive guidance for diagnostic codes (DC) 5051 through 5056, which establish rating criteria for prosthetic implant replacements of joints of the musculoskeletal system. The Schedule for Rating Disabilities under these DCs allows for a 1-year, 100-percent disability evaluation upon prosthetic replacement of a joint. This final rule clarifies that VA's longstanding interpretation of DCs 5051 through 5056 is that a 100- percent evaluation will be in place for a period of one year when the total joint, rather than the partial joint, has been replaced by a prosthetic implant.	2015-17417	<a href="https://www.federalregister.gov/documents/2015/07/16/2015-17417/agency-interpretation-of-prosthetic-replacement-of-a-joint">https://www.federalregister.gov/documents/2015/07/16/2015-17417/agency-interpretation-of-prosthetic-replacement-of-a-joint</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-07-16/pdf/2015-17417.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-07-16/pdf/2015-17417.pdf</a>	7/16/2015
Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; Updating References	Rule	The Department of Veterans Affairs (VA) is amending its regulations with updated citations and references to Office of Management and Budget (OMB) authorities for Federal grant programs. OMB has issued final guidance, located in Title 2 of the Code of Federal Regulations (CFR), which streamlines and supersedes requirements previously found in various OMB Circulars. VA has adopted OMB's guidance, and this rule replaces the obsolete OMB references in VA's regulations.	2015-17416	<a href="https://www.federalregister.gov/documents/2015/07/22/2015-17416/uniform-administrative-requirements-cost-principles-and-audit-requirements-for-federal-awards">https://www.federalregister.gov/documents/2015/07/22/2015-17416/uniform-administrative-requirements-cost-principles-and-audit-requirements-for-federal-awards</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-07-22/pdf/2015-17416.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-07-22/pdf/2015-17416.pdf</a>	7/22/2015
Update to NFPA Standards, Incorporation by Reference	Rule	The Department of Veterans Affairs (VA) is amending its regulations incorporating by reference the National Fire Protection Association (NFPA) codes and standards. These codes and standards are referenced in VA regulations concerning community residential care facilities, contract facilities for certain outpatient and residential services, Medical Foster Homes, and State home facilities. To ensure the continued safety of veterans in these facilities, VA is continuing to rely upon NFPA codes and standards for VA approval of such facilities. Vet Centers	Rule	The Department of Veterans Affairs (VA) is amending its medical regulation that governs Vet Center services. The National Defense Authorization Act for Fiscal Year 2013 (the 2013 Act) requires Vet Centers to provide readjustment counseling services to broader groups of veterans, members of the Armed Forces, including a member of a reserve component of the Armed Forces, and family members of such veterans and members. Loan Guaranty: Adjustable Rate Mortgage Notification Requirements and Look-Back Period	Rule	This document adopts as final, without change, a proposed rule of the Department of Veterans Affairs (VA) to amend its regulations that govern adjustable rate mortgages made in conjunction with the Home Loan Guaranty program. These revisions align VA's disclosure and interest rate adjustment requirements with the implementing regulations of the Truth in Lending Act (TILA), as recently revised by the Consumer Financial Protection Bureau (CFPB). This rulemaking will ensure VA remains consistent with other applicable consumer finance and housing regulations governing adjustable rate mortgages.	2015-19775	<a href="https://www.federalregister.gov/documents/2015/08/12/2015-19775/loan-guaranty-adjustable-rate-mortgage-notification-requirements-and-look-back-period">https://www.federalregister.gov/documents/2015/08/12/2015-19775/loan-guaranty-adjustable-rate-mortgage-notification-requirements-and-look-back-period</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-08-12/pdf/2015-19775.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-08-12/pdf/2015-19775.pdf</a>	8/12/2015

Additional Compensation on Account of Children Adopted Out of Veteran's Family	Rule	The Department of Veterans Affairs (VA) is amending its adjudication regulations to clarify that a veteran will not receive the dependent rate of disability compensation for a child who is adopted out of the veteran's family. This action is necessary because applicable VA adjudication regulations are currently construed as permitting a veteran, whose former child was adopted out of the veteran's family, to receive the dependent rate of disability compensation for the adopted-out child, which constitutes an unwarranted award of benefits not supported by the applicable statute and legislative history. This document adopts as a final rule, without change, the proposed rule published in the Federal Register on December 2, 2014.	2015-19949	<a href="https://www.federalregister.gov/documents/2015/08/13/2015-19949/additional-compensation-on-account-of-children-adopted-out-of-veterans-family">https://www.federalregister.gov/documents/2015/08/13/2015-19949/additional-compensation-on-account-of-children-adopted-out-of-veterans-family</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-08-13/pdf/2015-19949.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-08-13/pdf/2015-19949.pdf</a>	8/13/2015

Under that interim final rule, copayment amounts were maintained at the same rates as they were in 2014 (which were \$8 for veterans in priority groups 2-6 and \$9 for veterans in priority groups 7 and 8), and would have increased based on the prescription drug component of the Medical Consumer Price Index (CPI-P) on January 1, 2016. West Los Angeles VA Medical Center; Preliminary Draft Final Master Plan-Public Comment Period	Notice	This Federal Register Notice announces an opportunity for public comment on the Preliminary Draft Final Master Plan for the West Los Angeles (WLA) Department of Veterans Affairs (VA) campus (hereinafter referred to as the "Preliminary Draft Final Master Plan"). The WLA campus is approximately 387 acres in the heart of Los Angeles. There are 104 buildings across the campus of which 39 are designated as historic, 12 are considered to be exceptionally high risk for a seismic event, and a number are vacant or closed. The purpose of this Preliminary Draft Final Master Plan is to support VA's ongoing efforts to revitalize the campus into a more Veteran-focused environment, notably for severely disabled, aging, female, and homeless Veterans. This master planning effort is consistent with VA's goal to help end Veteran homelessness nationwide, particularly in the Greater Los Angeles region, one of the largest homeless Veteran populations in the country. This notice solicits public comments on the Preliminary Draft Final Master Plan. At the end of the public comment period, VA will review the comments received, post summary responses into the Federal Register via a second notice, ready the Preliminary Draft Final Master Plan for environmental and historic preservation due diligence, and prepare a Final Master Plan for the WLA campus.	2015-26945	<a href="https://www.federalregister.gov/documents/2015/10/22/2015-26945/west-los-angeles-v-a-medical-center-preliminary-draft-final-master-plan-public-comment-period">https://www.federalregister.gov/documents/2015/10/22/2015-26945/west-los-angeles-v-a-medical-center-preliminary-draft-final-master-plan-public-comment-period</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-10-22/pdf/2015-26945.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-10-22/pdf/2015-26945.pdf</a>	10/22/2015

Expanded Access to Non-VA Care Through the Veterans Choice Program	Rule	This document amends the Department of Veterans Affairs (VA) medical regulations implementing section 101 of the Veterans Access, Choice, and Accountability Act of 2014, which directed VA to establish a program to furnish hospital care and medical services through eligible non-VA health care providers to eligible veterans who either cannot be seen within the wait-time goals of the Veterans Health Administration or who qualify based on their place of residence (hereafter referred to as the ``Veterans Choice Program", or the ``Program"). VA published an interim final rule implementing the Veterans Choice Program on November 5, 2014, and published a subsequent interim final rule making further amendments on April 24, 2015. This final rule responds to public comments received from both interim final rules and amends the regulations to modify payment rates under the Program.	2015-27481	<a href="https://www.federalregister.gov/documents/2015/10/29/2015-27481/expanded-access-to-non-v-a-care-through-the-veterans-choice-program">https://www.federalregister.gov/documents/2015/10/29/2015-27481/expanded-access-to-non-v-a-care-through-the-veterans-choice-program</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-10-29/pdf/2015-27481.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-10-29/pdf/2015-27481.pdf</a>	10/29/2015

Expanded Access to Non-VA Care Through the Veterans Choice Program	Rule	The Department of Veterans Affairs (VA) revises its medical regulations that implement section 101 of the Veterans Access, Choice, and Accountability Act of 2014 (hereafter referred to as ``the Choice Act"), which requires VA to establish a program to furnish hospital care and medical services through eligible non-VA health care providers to eligible veterans who either cannot be seen within the wait-time goals of the Veterans Health Administration (VHA) or who qualify based on their place of residence (hereafter referred to as the ``Veterans Choice Program" or the ``Program"). These regulatory revisions are required by the most recent amendments to the Choice Act made by the Construction Authorization and Choice Improvement Act of 2014, and by the Surface Transportation and Veterans Health Care Choice Improvement Act of 2015. The Construction Authorization and Choice Improvement Act of 2014 amended the Choice Act to define additional criteria that VA may use to determine that a veteran's travel to a VA medical facility is an ``unusual or excessive burden," and the Surface Transportation and Veterans Health Care Choice Improvement Act of 2015 amended the Choice Act to cover all veterans enrolled in the VA health care system, remove the 60-day limit on an episode of care, modify the wait-time and 40-mile distance eligibility criteria, and expand provider eligibility based on criteria as determined by VA. This interim final rule revises VA regulations consistent with the changes made to the Choice Act as described above.	2015-29865	<a href="https://www.federalregister.gov/documents/2015/12/01/2015-29865/expanded-access-to-non-v-a-care-through-the-veterans-choice-program">https://www.federalregister.gov/documents/2015/12/01/2015-29865/expanded-access-to-non-v-a-care-through-the-veterans-choice-program</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2015-12-01/pdf/2015-29865.pdf">https://www.gpo.gov/fdsys/pkg/FR-2015-12-01/pdf/2015-29865.pdf</a>	12/1/2015

In the proposed rule published on May 15, 2015, VA proposed changes to more clearly define the types of health care VA provides, including day health care and health-related services, which we defined as homemaker or home health aide services that provide assistance with Activities of Daily Living or Instrumental Activities of Daily Living that have therapeutic value. We also proposed changes to the list of health care services that require preauthorization by VA. This final rule addresses comments received from the public and adopts as final the proposed rule, without change.	2016-07897	<a href="https://www.federalregister.gov/documents/2016/04/06/2016-07897/health-care-for-certain-children-of-vietnam-veterans-and-certain-korea-veterans-covered-birth">https://www.federalregister.gov/documents/2016/04/06/2016-07897/health-care-for-certain-children-of-vietnam-veterans-and-certain-korea-veterans-covered-birth</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2016-04-06/pdf/2016-07897.pdf">https://www.gpo.gov/fdsys/pkg/FR-2016-04-06/pdf/2016-07897.pdf</a>	4/6/2016

VA received two supportive comments and no adverse comments concerning the direct final rule and its companion substantially identical proposed rule published in the Federal Register on the same date. This document confirms that the direct final rule became effective on September 9, 2016. In a companion document in this issue of the Federal Register, we are withdrawing as unnecessary the proposed rule.	2016-22834	<a href="https://www.federalregister.gov/documents/2016/09/22/2016-22834/authority-to-solicit-gifts-and-donations">https://www.federalregister.gov/documents/2016/09/22/2016-22834/authority-to-solicit-gifts-and-donations</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2016-09-22/pdf/2016-22834.pdf">https://www.gpo.gov/fdsys/pkg/FR-2016-09-22/pdf/2016-22834.pdf</a>	9/22/2016

Tribal Health Programs-Community Care Consolidation	Notice	The Department of Veterans Affairs (VA), Veterans Health Administration (VHA) will facilitate a Tribal Consultation on the VHA's effort to improve continuity of care and health care access for Veterans by consolidating multiple community care programs, previously known as non-VA care, into one standard program with standard rates. In October 2015, VA submitted to Congress the Plan to Consolidate Programs of Department of Veterans Affairs to Improve Access to Care, <a href="http://www.va.gov/opa/publications/VA_Community_Care_Report_11_03_2015.pdf">http://www.va.gov/opa/publications/VA_Community_Care_Report_11_03_2015.pdf</a> , which lays out the vision for a consolidated community care program that is easy to understand, simple to administer, and meets the needs of Veterans, community providers, and VA staff. As VA continues to move forward with implementing the vision of the Plan, we again seek tribal input to assist VA in developing the network of providers in a manner that would build on VA's existing relationships with tribal health programs and facilitate future collaboration to improve health care services provided to all eligible, VA-enrolled Veterans, regardless of whether they are eligible for Indian Health Service-funded health care or not. We are seeking tribal consultation regarding the tribal health programs' participation in the core provider network, as outlined in the Plan, and potentially transitioning from the current reimbursement agreement structure to a model under which tribal health programs deliver care to all eligible, VA enrolled Veterans using a standard reimbursement rate based on Medicare rates.	2016-23483	<a href="https://www.federalregister.gov/documents/2016/09/29/2016-23483/tribal-health-programs-community-care-consolidation">https://www.federalregister.gov/documents/2016/09/29/2016-23483/tribal-health-programs-community-care-consolidation</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2016-09-29/pdf/2016-23483.pdf">https://www.gpo.gov/fdsys/pkg/FR-2016-09-29/pdf/2016-23483.pdf</a>	9/29/2016
Extension of the Presumptive Period for Compensation for Gulf War Veterans	Rule	The Department of Veterans Affairs (VA) is issuing this interim final rule to amend its adjudication regulations regarding compensation for disabilities resulting from undiagnosed illnesses suffered by veterans who served in the Persian Gulf War. This amendment is necessary to extend the presumptive period for qualifying chronic disabilities resulting from undiagnosed illnesses that must become manifest to a compensable degree in order that entitlement for compensation be established. The intended effect of this amendment is to provide consistency in VA adjudication policy and preserve certain rights afforded to Persian Gulf War veterans and ensure fairness for current and future Persian Gulf War veterans.	2016-25017	<a href="https://www.federalregister.gov/documents/2016/10/17/2016-25017/extension-of-the-presumptive-period-for-compensation-for-gulf-war-veterans">https://www.federalregister.gov/documents/2016/10/17/2016-25017/extension-of-the-presumptive-period-for-compensation-for-gulf-war-veterans</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2016-10-17/pdf/2016-25017.pdf">https://www.gpo.gov/fdsys/pkg/FR-2016-10-17/pdf/2016-25017.pdf</a>	10/17/2016

Annual Determination of Staffing Shortages	Notice	Section 7412 of title 38, United States Code (U.S.C.) requires the Department of Veterans Affairs (VA) Inspector General (IG) to determine and report on the top five occupations of VA personnel covered under 38 U.S.C. 7401, for which there are the largest staffing shortages. The top five occupations are calculated over the five-year period preceding the determination, and the Secretary of Veterans Affairs is required to publish these findings in the Federal Register. Based on its review, the IG identified the following six occupations as having the largest staffing shortages in the identified time period: Medical Officer, Nurse, Psychologist, Physician Assistant, Physical Therapist and Medical Technologist. Six occupations are identified because the Psychologist and Physician Assistant positions tied for the third position, and the Physical Therapist and Medical Technologist positions tied for the fifth position. Tiered Pharmacy Copayments for Medications	Rule	The Department of Veterans Affairs (VA) adopts as a final rule, with changes, a proposal to amend its regulations concerning copayments charged to certain veterans for medication required on an outpatient basis to treat nonservice-connected conditions. Prior to this final rule, VA charged non-exempt veterans either \$8 or \$9 for each 30-day or less supply of medication, and that amount may have changed in future years. This rulemaking replaces those rates and establishes three classes of medications for copayment purposes, identified as Tier 1, Tier 2, and Tier 3. These tiers are defined further in the rulemaking and are distinguished in part based on whether the medications are available from multiple sources or a single source, with some exceptions. Copayment amounts are fixed and would vary depending upon the class of medication. The following medication copayment amounts are applicable on the effective date of this final rule: \$5 for a 30-day or less supply of a Tier 1 medication, \$8 for a 30-day or less supply of a Tier 2 medication, and \$11 for a 30-day or less supply of a Tier 3 medication. For non-exempt veterans these copayment amounts will result in lower out-of-pocket costs, thereby encouraging greater adherence to taking prescribed medications and reducing the risk of fragmented care that results when veterans use non-VA pharmacies to fill their prescriptions. The proposed rule was published on January 5, 2016 and the public comment period closed on March 7, 2016. We received nine comments and respond to these comments here.	2016-29515	<a href="https://www.federalregister.gov/documents/2016/12/12/2016-29515/tiered-pharmacy-copayments-for-medications">https://www.federalregister.gov/documents/2016/12/12/2016-29515/tiered-pharmacy-copayments-for-medications</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2016-12-12/pdf/2016-29515.pdf">https://www.gpo.gov/fdsys/pkg/FR-2016-12-12/pdf/2016-29515.pdf</a>	12/12/2016
Notice of Availability of a Draft Environmental Impact Statement for a Replacement Veterans Affairs Medical Center, Louisville, Kentucky; Comment Period Extension	Notice	On October 27, 2016, the Department of Veterans Affairs (VA) published, in the Federal Register, the Notice of Availability of a Draft Environmental Impact Statement (EIS) for a Replacement VA Medical Center (VAMC) and Veterans Benefits Administration (VBA) regional office in Louisville, Kentucky, that analyzes the potential impacts of three alternatives for changes to VA's facilities in the Louisville area. Two public hearings on the Draft EIS were held in Louisville on November 15, 2016, which were attended by over 200 people. Since then, VA has received many requests from stakeholders for more time to review and analyze the document due to its size and the controversy surrounding the preferred alternative. After considering these requests and other factors, VA is extending the comment period for the Draft EIS by 30 days, from December 12, 2016 to January 11, 2017.	2016-29871	<a href="https://www.federalregister.gov/documents/2016/12/13/2016-29871/notice-of-availability-of-a-draft-environmental-impact-statement-for-a-replacement-veterans-affairs">https://www.federalregister.gov/documents/2016/12/13/2016-29871/notice-of-availability-of-a-draft-environmental-impact-statement-for-a-replacement-veterans-affairs</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2016-12-13/pdf/2016-29871.pdf">https://www.gpo.gov/fdsys/pkg/FR-2016-12-13/pdf/2016-29871.pdf</a>	12/13/2016

Advanced Practice Registered Nurses	Rule	The Department of Veterans Affairs (VA) is amending its medical regulations to permit full practice authority of three roles of VA advanced practice registered nurses (APRN) when they are acting within the scope of their VA employment. Certified Registered Nurse Anesthetists (CRNA) will not be included in VA's full practice authority under this final rule, but comment is requested on whether there are access issues or other unconsidered circumstances that might warrant their inclusion in a future rulemaking. The final rulemaking establishes the professional qualifications an individual must possess to be appointed as an APRN within VA, establishes the criteria under which VA may grant full practice authority to an APRN, and defines the scope of full practice authority for each of the three roles of APRN. The services provided by an APRN under full practice authority in VA are consistent with the nursing profession's standards of practice for such roles. This rulemaking increases veterans' access to VA health care by expanding the pool of qualified health care professionals who are authorized to provide primary health care and other related health care services to the full extent of their education, training, and certification, without the clinical supervision of physicians, and it permits VA to use its health care resources more effectively and in a manner that is consistent with the role of APRNs in the non-VA health care sector, while maintaining the patient-centered, safe, high-quality health care that veterans receive from VA.	2016-29950	<a href="https://www.federalregister.gov/documents/2016/12/14/2016-29950/advanced-practice-registered-nurses">https://www.federalregister.gov/documents/2016/12/14/2016-29950/advanced-practice-registered-nurses</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2016-12-14/pdf/2016-29950.pdf">https://www.gpo.gov/fdsys/pkg/FR-2016-12-14/pdf/2016-29950.pdf</a>	12/14/2016

Diseases Associated With Exposure to Contaminants in the Water Supply at Camp Lejeune	Rule	The Department of Veterans Affairs (VA) amends its adjudication regulations regarding presumptive service connection, adding certain diseases associated with contaminants present in the base water supply at U.S. Marine Corps Base Camp Lejeune (Camp Lejeune), North Carolina, from August 1, 1953, to December 31, 1987. This final rule establishes that veterans, former reservists, and former National Guard members, who served at Camp Lejeune for no less than 30 days (consecutive or nonconsecutive) during this period, and who have been diagnosed with any of eight associated diseases, are presumed to have incurred or aggravated the disease in service for purposes of entitlement to VA benefits. In addition, this final rule establishes a presumption that these individuals were disabled during the relevant period of service for purposes of establishing active military service for benefits purposes. Under this presumption, affected former reservists and National Guard members have veteran status for purposes of entitlement to some VA benefits. This amendment implements a decision by the Secretary of Veterans Affairs that service connection on a presumptive basis is warranted for claimants who served at Camp Lejeune during the relevant period and for the requisite amount of time and later develop certain diseases.	2017-00499	<a href="https://www.federalregister.gov/documents/2017/01/13/2017-00499/diseases-associated-with-exposure-to-contaminants-in-the-water-supply-at-camp-lejeune">https://www.federalregister.gov/documents/2017/01/13/2017-00499/diseases-associated-with-exposure-to-contaminants-in-the-water-supply-at-camp-lejeune</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2017-01-13/pdf/2017-00499.pdf">https://www.gpo.gov/fdsys/pkg/FR-2017-01-13/pdf/2017-00499.pdf</a>	1/13/2017

Fertility Counseling and Treatment for Certain Veterans and Spouses	Rule	The Department of Veterans Affairs (VA) amends its regulation regarding fertility counseling and treatment available to certain veterans and spouses. VA currently provides certain infertility services other than in vitro fertilization (IVF) to veterans as part of the medical benefits package. IVF is the process of fertilization by manually fertilizing an egg, and then transferring the embryo to the uterus. This interim final rulemaking adds a new section authorizing IVF for a veteran with a service-connected disability that results in the inability of the veteran to procreate without the use of fertility treatment. In addition, we add a new section stating that VA may provide fertility counseling and treatment using assisted reproductive technologies (ART), including IVF, to a spouse of a veteran with a service-connected disability that results in the inability of the veteran to procreate without the use of fertility treatment. VA will provide ART treatment, including IVF, to these veterans and spouses as specified in the Continuing Appropriations and Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, 2017, and Zika Response and Preparedness Act to the extent such services are consistent with the services available to enrolled veterans under the medical benefits package.	2017-00280	<a href="https://www.federalregister.gov/documents/2017/01/19/2017-00280/fertility-counseling-and-treatment-for-certain-veterans-and-spouses">https://www.federalregister.gov/documents/2017/01/19/2017-00280/fertility-counseling-and-treatment-for-certain-veterans-and-spouses</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2017-01-19/pdf/2017-00280.pdf">https://www.gpo.gov/fdsys/pkg/FR-2017-01-19/pdf/2017-00280.pdf</a>	1/19/2017

Recognition of Tribal Organizations for Representation of VA Claimants	Rule	The Department of Veterans Affairs (VA) is amending its regulations concerning recognition of certain national, State, and regional or local organizations for purposes of VA claims representation. Specifically, this rulemaking allows the Secretary to recognize tribal organizations in a similar manner as the Secretary recognizes State organizations. The final rule allows a tribal organization that is established and funded by one or more tribal governments to be recognized for the purpose of providing assistance on VA benefit claims. In addition, the final rule allows an employee of a tribal government to become accredited through a recognized State organization in a similar manner as a County Veterans' Service Officer (CVSO) may become accredited through a recognized State organization. The effect of this action is to address the needs of Native American populations who are geographically isolated from existing recognized Veterans Service Organizations (VSOs) or who may not be utilizing other recognized VSOs due to cultural barriers or lack of familiarity with those organizations.	2017-00947	<a href="https://www.federalregister.gov/documents/2017/01/19/2017-00947/recognition-of-tribal-organizations-for-representation-of-va-claimants">https://www.federalregister.gov/documents/2017/01/19/2017-00947/recognition-of-tribal-organizations-for-representation-of-va-claimants</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2017-01-19/pdf/2017-00947.pdf">https://www.gpo.gov/fdsys/pkg/FR-2017-01-19/pdf/2017-00947.pdf</a>	1/19/2017

VA Veteran-Owned Small Business Verification Guidelines	Rule	This document implements a portion of the Veterans Benefits, Health Care, and Information Technology Act of 2006, which requires the Department of Veterans Affairs (VA) to verify ownership and control of veteran-owned small businesses (VOSB), including service-disabled veteran-owned small businesses (SDVOSB) in order for these firms to participate in VA acquisitions set-aside for SDVOSB/VOSBs. This interim final rule contains a minor revision to require re-verification of SDVOSB/VOSB status only every three years rather than biennially. Release of VA Records Relating to HIV	Rule	The Department of Veterans Affairs (VA) is amending its medical regulations governing the release of VA medical records. Specifically, VA is eliminating the restriction on sharing a negative test result for the human immunodeficiency virus (HIV) with veterans' outside providers. HIV testing is a common practice today in healthcare and the stigma of testing that may have been seen in the 1980s when HIV was first discovered is no longer prevalent. Continuing to protect negative HIV tests causes delays and an unnecessary burden on veterans when VA tries to share electronic medical information with the veterans' outside providers through electronic health information exchanges. For this same reason, VA will also eliminate restrictions on negative test results of sickle cell anemia. This final rule eliminates the current barriers to electronic medical information exchange.	2017-05799	<a href="https://www.federalregister.gov/documents/2017/03/23/2017-05799/release-of-va-records-relating-to-hiv">https://www.federalregister.gov/documents/2017/03/23/2017-05799/release-of-va-records-relating-to-hiv</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2017-03-23/pdf/2017-05799.pdf">https://www.gpo.gov/fdsys/pkg/FR-2017-03-23/pdf/2017-05799.pdf</a>	3/23/2017

Payment or Reimbursement for Certain Medical Expenses for Camp Lejeune Family Members	Rule	The Department of Veterans Affairs (VA) adopts as final an interim final rule addressing payment or reimbursement of certain medical expenses for family members of Camp Lejeune veterans. Under this rule, VA reimburses family members, or pays providers, for medical expenses incurred as a result of certain illnesses and conditions that may be associated with contaminants present in the base water supply at U.S. Marine Corps Base Camp Lejeune (Camp Lejeune), North Carolina, from August 1, 1953, to December 31, 1987. Payment or reimbursement is made within the limitations set forth in statute and Camp Lejeune family members receive hospital care and medical services that are consistent with the manner in which we provide hospital care and medical services to Camp Lejeune veterans. The statutory authority has since been amended to also include certain veterans' family members who resided at Camp Lejeune, North Carolina, for no less than 30 days (consecutive or nonconsecutive) between August 1, 1953, and December 31, 1987. This final rule will reflect that statutory change and will address public comments received in response to the interim final rule.	2017-09163	<a href="https://www.federalregister.gov/documents/2017/05/05/2017-09163/payment-or-reimbursement-for-certain-medical-expenses-for-camp-lejeune-family-members">https://www.federalregister.gov/documents/2017/05/05/2017-09163/payment-or-reimbursement-for-certain-medical-expenses-for-camp-lejeune-family-members</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2017-05-05/pdf/2017-09163.pdf">https://www.gpo.gov/fdsys/pkg/FR-2017-05-05/pdf/2017-09163.pdf</a>	5/5/2017

Fisher Houses and Other Temporary Lodging	Rule	The Department of Veterans Affairs (VA) is amending its regulations concerning Fisher House and other temporary lodging furnished by VA while a veteran is experiencing an episode of care at a VA medical facility. Such lodging is generally furnished at no cost to veterans' relatives, close friends, and caregivers, because VA's experience has shown that veterans' treatment outcomes are improved by having loved ones nearby. Ensuring a Safe Environment for Community Residential Care Residents	Rule	The Department of Veterans Affairs (VA) adopts as final, with changes, a proposed rule governing the approval of a community residential care facility (CRC). The final rule prohibits a CRC from employing an individual who has been convicted in a court of law of certain listed crimes within 7 years of conviction, or has had a finding within 6 months entered into an applicable State registry or with the applicable licensing authority concerning abuse, neglect, mistreatment of individuals or misappropriation of property. The CRC is required to conduct an individual assessment of suitability for employment for any conviction or finding outside either the 7 year or 6 month parameters. The CRCs is also required to develop and implement written policies and procedures that prohibit mistreatment, neglect, and abuse of residents and misappropriation of resident property. The CRC must report and investigate any allegations of abuse or mistreatment. The CRC must also screen individuals who are not CRC residents, but have direct access to a veteran living in a CRC. In addition, we are amending the rule regarding the maximum number of beds allowed in a resident's bedroom. VA published the proposed rule on November 12, 2015, and we received four public comments. We also received correspondence from a federal agency with recommendations. This final rule responds to public comments and feedback from that federal agency.	2017-15519	<a href="https://www.federalregister.gov/documents/2017/07/25/2017-15519/ensuring-a-safe-environment-for-community-residential-care-residents">https://www.federalregister.gov/documents/2017/07/25/2017-15519/ensuring-a-safe-environment-for-community-residential-care-residents</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2017-07-25/pdf/2017-15519.pdf">https://www.gpo.gov/fdsys/pkg/FR-2017-07-25/pdf/2017-15519.pdf</a>	7/25/2017

Loan Guaranty: Loans To Purchase Manufactured Homes; Correction	Rule	On July 14, 1993, the Department of Veterans Affairs (VA) published a final rule in the Federal Register amending its manufactured home loan guaranty regulations to comply with certain provisions of the Veterans' Home Loan Program Improvements and Property Rehabilitation Act of 1987. Supportive Services for Veteran Families Program	Rule	The Department of Veterans Affairs (VA) is amending its regulations that govern the Supportive Services for Veteran Families (SSVF) Program. This rulemaking clarifies VA's procedures for continuing to fund SSVF Program services in communities that have lost grants due to the non-renewal or termination of services of an existing award to a grantee. VA can now award the non-renewed or deobligated funds to other existing SSVF grantees in or near the affected community. This award of non-renewed or deobligated funds prevents potential access issues associated with grant termination. This rulemaking also reduces the number of satisfaction surveys grantees are required to provide to participants in order to reduce the burden on grantees and participants.	2017-18574	<a href="https://www.federalregister.gov/documents/2017/09/01/2017-18574/supportive-services-for-veteran-families-program">https://www.federalregister.gov/documents/2017/09/01/2017-18574/supportive-services-for-veteran-families-program</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2017-09-01/pdf/2017-18574.pdf">https://www.gpo.gov/fdsys/pkg/FR-2017-09-01/pdf/2017-18574.pdf</a>	9/1/2017

Extension of the Presumptive Period for Compensation for Gulf War Veterans	Rule	The Department of Veterans Affairs (VA) is issuing this final rule to affirm its adjudication regulations regarding compensation for disabilities resulting from undiagnosed illnesses suffered by veterans who served in the Persian Gulf War. This amendment is necessary to extend the period during which disabilities associated with undiagnosed illnesses and medically unexplained chronic multi-symptom illnesses must become manifest in order for a Veteran to be eligible for compensation. Ecclesiastical Endorsing Organizations	Rule	The Department of Veterans Affairs (VA) is amending its medical regulations by establishing in regulation the eligibility requirements that ecclesiastical endorsing organizations must meet in order to provide ecclesiastical endorsements of individuals seeking employment as VA chaplains, or of individuals who are seeking to be engaged by VA under contract or appointed as on-facility fee basis VA chaplains under the United States Code. VA considers veterans' spiritual care an integral part of their overall health care. As such, VA is committed to providing qualified VA chaplains to address the veterans' spiritual needs by engaging chaplains that are ecclesiastically endorsed. Ecclesiastical endorsement certifies that the individual is qualified to perform all the religious sacraments, rites, rituals, ceremonies and ordinances needed by members of a particular faith.	2017-24320	<a href="https://www.federalregister.gov/documents/2017/11/08/2017-24320/ecclesiastical-endorsing-organizations">https://www.federalregister.gov/documents/2017/11/08/2017-24320/ecclesiastical-endorsing-organizations</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2017-11-08/pdf/2017-24320.pdf">https://www.gpo.gov/fdsys/pkg/FR-2017-11-08/pdf/2017-24320.pdf</a>	11/8/2017
VA Vocational Rehabilitation and Employment Nomenclature Change for Position Title-Revision	Rule	The Department of Veterans Affairs (VA) published a final rule in the Federal Register on May 2, 2016, which amended a number of regulations in the Code of Federal Regulations (CFR) to authorize personnel hired by VA's Vocational Rehabilitation and Employment (VR&E) Service under the title ``Vocational Rehabilitation Counselor" (VRC) to make the same determinations with respect to Chapter 31 services and benefits as personnel who had been hired under the title ``Counseling Psychologist" (CP). The preamble to that final rule cited supporting documents inaccurately and failed to properly explain the qualifications for and duties of this VR&E position responsible for making determinations with respect to Chapter 31 services and benefits. This interim final rule corrects those inaccuracies, more clearly explains the basis for the final rule, and invites public comment on the changes made to VA's regulations in the May 2, 2016, final rule.	2017-24949	<a href="https://www.federalregister.gov/documents/2017/11/17/2017-24949/va-vocational-rehabilitation-and-employment-nomenclature-change-for-position-title-revision">https://www.federalregister.gov/documents/2017/11/17/2017-24949/va-vocational-rehabilitation-and-employment-nomenclature-change-for-position-title-revision</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2017-11-17/pdf/2017-24949.pdf">https://www.gpo.gov/fdsys/pkg/FR-2017-11-17/pdf/2017-24949.pdf</a>	11/17/2017

Extra-Schedular Evaluations for Individual Disabilities	Rule	The Department of Veterans Affairs (VA) amends its adjudication regulation pertaining to extra-schedular consideration of a service-connected disability in exceptional compensation cases. This rule clarifies that an extra-schedular evaluation is to be applied to an individual service-connected disability when the disability is so exceptional or unusual that it makes application of the regular rating schedule impractical. An extra-schedular evaluation may not be based on the combined effect of more than one service-connected disability. For the reasons set forth in the proposed rule and in this final rule, VA is adopting the proposed rule as final, with two changes, as explained below.	2017-26523	<a href="https://www.federalregister.gov/documents/2017/12/08/2017-26523/extra-schedular-evaluations-for-individual-disabilities">https://www.federalregister.gov/documents/2017/12/08/2017-26523/extra-schedular-evaluations-for-individual-disabilities</a>	<a href="https://www.gpo.gov/fdsys/pkg/FR-2017-12-08/pdf/2017-26523.pdf">https://www.gpo.gov/fdsys/pkg/FR-2017-12-08/pdf/2017-26523.pdf</a>	12/8/2017
